Closing COPY DATE: 15th FEBRUARY (for MARCH 2022 issue.)

CHAIRMAN'S WELCOME

We wish everyone a belated Very Happy New Year! Huge thanks go to Andrew Grogono for producing a 2022 Village Calendar which as well as being positively received has also contributed much needed extra funds to AAC. This past year, Andrew has raised over £450 from the Calendar. Many thanks to the sponsors as well.

I would like to thank Andrew for his tremendous amount of work and behind the scenes efforts over the years to make the AAC so successful and interesting. Andrew is currently taking a break, hence the reason for me writing this month.

We also appreciate the support of our stalwart advertisers. Sadly, we have had a few advertisers not renewing over the year, so if any readers hear of anyone wanting to advertise please do encourage them to contact me on 07787781716 or email e.m.vaughan@icloud.com

Hopefully we will hear the results of the Airport Inquiry shortly, a decision that will impact everyone living here in Cleeve. In the meantime, keep safe, watch out for your neighbours and let's hope the weather improves soon!

Elizabeth

VOLUNTEER WANTED

All About Cleeve is looking for a volunteer to deliver the magazine for ten months of the year (as there is no edition in January or August) to all the properties on the Main road from Brockley to the garden centre on both sides of the road. If anyone can help please contact Steve Molloy on 01934-834412 or at steviemolloy@aol.com

... take a bow!

Thanks to your incredible generosity, we have been able to raise £1100 for the Children's Hospice South West and £400 through the raffle for Cancer Research UK. It means so much to us that over 300 people chose to do their Christmas shopping with us to support these fantastic charities.

We cannot thank you enough for your continued generosity and support over the years.

FOCOS (Friends Of Cleeve Over Sixties)

Winning numbers for the FOCOS lottery

6th November	19	Dave Ashman
27th November	9	Gill Roe
4th December	47	Elaine Weedon
25th December	18	George Stringer
1st January	42	Jen Lankester

Well done to all our winners over the Festive period.

We continue to say 'thank you' to everyone who has a ticket in the FOCOS lottery as it underpins all our other fund raising efforts.

TIP FROM CLEEVE NURSERY

When snowdrops finish flowering lift crowded clumps, carefully divide them and replant immediately. Snowdrops hate to have their roots broken so be careful!

DID YOU KNOW?

FOX HUNTING

Taken from a newspaper article in the Weston Mercury & Somersetshire Herald on September 22, 1877 by John Hugh Wadham Smith-Pigott where he describes being Master of the Woodspring Harriers.

They hunted throughout the district from Brockley to Weston-super-Mare. Then he goes on to say he founded the Woodspring Hunt himself 37 years ago, and the Bowling Green, Brockley and Ashcombe Lodge near Weston held the kennels where they kept 16 to 20 couple of fox hounds [22 in dogs]. He also writes the stables at Brockley Hall and at The Grove, Weston-super-Mare were quite studded with, pads, masks and brushes. They often met at Woodspring Priory and sometimes ran a fox to earth at the very point of St Thomas's Head.

POP-UP PALESTINE CAFE FUNDRAISER

Collection Point:
Cleeve Village Hall

One night only: Sat 5th Feb 2022

Alissar Amali is a Palestinian writer, poet, activist and a fantastic cook. Sadly, Alissar has breast cancer and is fundraising to cover some of the costs of treatment unavailable on the NHS. A single mum from Syria living in Bristol with her young son.

Food prepared by Palestinian women: Alissar and Roula
Cost per head: £15.00 (donations most welcome)
Payment: Cash on collection (or cheque)

Collection between 5:30 and 6:30pm. *Please observe social distancing*

Advance orders only to: alcy_am@yahoo.com by 8pm on TUES 1st FEB.

Each order includes 5 authentic Palestinian dishes:

Vegetarian and vegan versions of this menu are available. Please specify your dietary preferences when you place your order. *No Gluten-free version of this menu - apologies!*

For NEW FULL MENU please email helen1962@hotmail.com

If you'd like a distinctive face covering and support a local children's charity then visit:
www.paulinemadethis.co.uk
 The total raised to date is around £2750 with nearly 750 sold - help me get to 1000!
 They are £5.00 each

VILLAGE TO HOST FIRST-EVER SEASON OF LIVE EVENTS

A 2022 CALENDAR OF LIVE EVENTS HAS BEEN SCHEDULED FOR THIS YEAR FEATURING CELEBRITY LINE-UPS, COMEDY NIGHTS & HIT TOURING THEATRE SHOWS.

This year Claverham Village Hall will play host to regular live performances in an attempt to provide the local area with a much needed social events calendar. These live events will be taking place throughout the year, with the first scheduled event for February 12th where the hall will host J.D. King, regarded as one of the worlds leading tributes to Elvis and star of the hit touring theatre show 'ELVIS THE LEGEND'. This rousing and critically acclaimed 2-hour spectacular features a full live band and plenty of dazzling surprises that can't be missed! (Tickets for this performance £10 per person. Available for purchase from Claverham Village Hall. Tel: 01934 830020 for more information/reservations).

Following this, the hall will be playing host throughout the year to a variety of performances including 'THE AMERICAN FOUR TOPS SHOW - Direct from the USA', 'THE FIREBIRDS - Europe's leading Rock N Roll band with multiple album releases, TV Comedy legend and Royal Variety veteran 'MICK MILLER', Britain's Got Talent Comedy Star ' BEN LANGLEY', ' THE FOUR HARMONIES' - West End vocal group featuring the hits of Franki Valli, 'OKTOBERFEST WITH THE FAMED BAVARIAN STOMPERS and much more!

Claverham Village Hall is a Registered Charity and relies solely on a group of dedicated volunteers to keep the venue running as a community hub and the heart of the village. The Hall operates 7 days a week and hosts a diverse range of regular activities and private events for the local communities including line dancing, Martial Arts and Ballroom dancing. 'THE TANNERY BAR' is also open 7 days a week from 7pm - 11pm and offers an excellent selection of beers, wines & spirits in a relaxed and friendly setting.

TIPS FROM CLEEVE NURSERY

Before the usual spring rush, paint fences and sheds and get other general maintenance jobs done. If plants are trained onto fences to be painted make certain that the paint you use is plant safe.

Construct a cold frame to get early crops going

HELP, I NEED SOMEBODY...

A very iconic line from a Beatles hit (showing my age!) BUT the words are very important to the residents of our village.

Whilst it has been a quiet time for our community resilience volunteers they are all still out there in the village waiting to spring into action if required.

The reason we have been quiet is that the village has been very good at supporting it's own through neighbourly contacts, family and friends and other social groups together with access to local agencies and there has been very little call on our time.

We remain a source however that can be used and our co-ordinators contact details are displayed towards the back of this magazine.

If you are struggling for support please feel free to give Ross or Steve a ring and we will see what we can do to help.

We would encourage all Cleevedonians to regularly check on elderly neighbours and those with other vulnerabilities to ensure that they are safe and well.

A quick personal call, phone call or email can bring light into someones' day and let them know that they are not alone.

Please continue to follow the Covid guidelines to keep our village stay safe

A happy New Year from all the Community Resilience team

Steve, Sally and Ross

Cleeve Community Resilience co-ordinators

FOCOS NEW YEAR PARTY and A GREAT CLEEVE NIGHT OUT

We decided, sadly, that it would be prudent to postpone our double event on the weekend of 14/15th January because of concerns regarding the spread of the Omicron variant.

However we are looking to put the events on later in the year, so look out for details in future editions of All About Cleeve.

ON OUR FARMS

Late winter is always an exciting time for those involved in farming. If you have sheep, lambing is due to start, if you keep cattle, you are looking forward to the end of winter and letting the animals out to graze and if you are an arable farmer the time has come to start field operations either planting new crops or feeding the ones in the ground. Farming has always been about producing food but now farmers are being encouraged to think about other things too. Quite rightly, environmental concerns have become the talking point in many conversations. So, what is being discussed? Solar panels and wind generation is high on many agendas. Both provide clean, sustainable energy but they take up land that would otherwise be used to produce food. We are being encouraged to consider digging ponds and planting woodland. These are both admirable objectives and many farmers have already done this in parts of their farm which doesn't produce food effectively. The odd corners of fields too wet to grow even grass had ponds dug and trees planted many years ago. Both provide fantastic habitat, sequester carbon and don't impact of efficient food production. There is a move to 'rewild' large areas of land. Rewilding means little food production in these areas but a return to a wild environment. An admirable objective but it does need managing to create an environment that creates the best environment. There is a compromise. Regenerative farming and conservation grazing is rising up many farmers' agendas. Each is a more holistic manner of management. It doesn't stop farmers from producing food and it doesn't let large tracts of land revert to wild scrub with little environmental value. Some might say that's how it was done in the old days. So it might be, but with the accusations levelled against farmers for many environmental woes suffered in the last fifty or so years it might be common ground that we can use to satisfy everyone's aspirations. It's exciting times for British farmers with many changes on the horizon. What we do need to do though, is make sure we continue to produce good wholesome food as locally as possible and not export our environmental issues to other parts of the world yet to be impacted by modern farming techniques. Farms around Cleve in 2022 might not look very different from years gone by but rest assured, there is plenty of thinking going on and there will be change.

Nick Green

TIPS FROM CLEEVE NURSERY

Could your garden look better? This is the month when it is stripped to the basic skeleton by winter and when you can assess whether an evergreen shrub, conifer or tree or perhaps an archway, pergola or statue would improve things.

Trim lawn edges with a sharp edging iron. Insert plastic or metal edging strips as support. It's amazing what a difference neat lawn edges makes to the look of a garden!

Start to cut the lawn as required on dry mild days.

Don't forget to buy **seed potatoes** and set them up to shoot ['chitting']. Early varieties like '**Rocket**' will benefit but later varieties will yield better too if encouraged into growth before planting out. If you have room for only one variety, grow '**Charlotte**'.

CLEEVE CRICKET CLUB

Despite the rain seemingly pouring incessantly outside and our national cricket team struggling in the sunshine down under, Cleeve Cricket Club announce their plans to prepare for the 2022 season.

2022 training starts with indoor nets at The Downs School, Wraxall, BS48 1PF from end of January until early April when training moves outside, utilising Cleeve Cricket Club's enviable 3 lane state of the art nets and extensive cricket field. Cleeve continues to be a friendly inclusive club operating 2 adult Saturday sides playing in Bristol & District Leagues and Sunday friendly fixtures. At junior level, All Stars for 5-8 year old boys and girls on Friday evenings at Cleeve when the season gets underway in May as well as under 11s, 13s and 15s teams. There will be plenty of spaces for under 11s as many of last year's squad have moved up through the club, welcoming boys and girls of all ages and abilities.

All coaches are DBS checked, as you would expect, under the expert eye of our Child Safeguarding Officer and many of our coaches have or are undergoing their coaches' qualifications. Parents are always encouraged to help with the various roles required to coach and manage training and matches.

Indoor dates are as follows, where new players are always welcome, at £2 per person per session:

Senior Nets – Sunday Jan 30th 5pm-6pm and every Sunday until March 27th.

Junior nets (u11s – u15s) – Sunday Jan 23rd 3pm-4pm and then every Sunday until April 10th.

For details, email us at clevecc@yahoo.com, follow us on social media @CleeveCC or see our website <https://cleeve.play-cricket.com/home>

Stuart Williams

YATTON LOCAL HISTORY SOCIETY

On Tuesday February 1st at 7 30pm Andrew Mudd will do an update on archaeological excavations on the Hinkley Point power station site for Yatton Local History Society on Zoom.

All welcome

Marianne Pitman

TIP FROM CLEEVE NURSERY

Lots of vegetable plants can be sown now e.g. turnips, lettuce, stump rooted carrots, early cabbage, cauliflower and spinach in trays on the windowsill. These could be planted out later this month.

**BOLD BRASS CONCERT AT ST MARY'S YATTON,
26TH FEBRUARY, 2022.**

Bold Brass will give a rousing performance to uplift our spirits after the winter months and look forward to a more cheerful spring.

Based in North Somerset, the Bold Brass ensemble was formed in 1977 as a quintet. The larger Ensemble was formed a short time later to play for one concert. The line-up of 4 trumpets, tenor horn, euphonium, tuba, 3 trombones and percussion was so successful, the group stayed together. A flugelhorn was later added to give more versatility.

Bold Brass players have many years of experience playing in brass bands, jazz and big bands. Their standard of playing is to semi-professional standard and the repertoire is drawn from classical, jazz, big band and popular brass band music. Many of their arrangements have been made especially for the group by past and present members and musical directors.

Bold Brass has provided music for the Open University award ceremonies in Torquay, Cheltenham and Milton Keynes for over 15 years and for many years have been an essential part of the Bristol Evening Post Carol concert in the Colston Hall (now organised by BBC Radio Bristol, and is broadcast by them on Christmas Eve and Christmas Day). The group also play at concerts in churches and indoor and outdoor music festivals, as well as visiting Germany, France and Czechoslovakia over the years.

Their programme for the Yatton Music Society's concert will be drawn from light classics, swing and big band, as well as from the great musical shows, jazz and pop - in short, music that will make you want to smile, hum and tap your feet.....

The concert starts at 7.30pm at St Mary's Church, tickets price £10, half price for students over 16, children free.

Details of this concert and future events can be found on Yatton Music Society's website www.yms.org.uk or contact David Ford daford220@gmail.com, tel, 01934 830255.

David Ford

MARTIN STEPHENSON

Singer-songwriter Martin Stephenson comes to Cleeve Village Hall on Saturday March 19th 2022

The Village Hall has been chosen to host a special gig by Martin Stephenson, frontman to his band the Daintees. From the North East and originally signed to Kitchenware, The Daintees released iconic albums in the 1980's such as Boat to Bolivia and Gladsome, Humour and Blue . Since then he has continued to record and tour with a delightful mix of styles including rock, blues, country, reggae and folk. Top class guitar playing accompanied with humorous stories, it will be a real treat for music lovers. Limited tickets due to reduced capacity so please email Anita at cjoycealad@aol.com if you would like to be sent the ticket link .

TIP FROM CLEEVE NURSERY

Repot your houseplants, if they need it, into one pot size larger using good multi-purpose compost [such as our own]. Use moss poles to support taller plants.

Prune conservatory plants back and reshape them.

CLEEVE PARISH COUNCIL UPDATE

Council Meetings: Meetings are now held face to face on the 2nd Tuesday of each month (except August and December when no meetings are held).

All meetings will be held in Cleeve Village Hall in accordance with any Covid-19 regulations current at that time.

Details of meetings, agendas and minutes continue to be published on our website.

You can access our website at www.cleeveparishcouncil.co.uk

Budget and Precept for Cleeve for year 2022/23: At our January Parish Council meeting on 11 January the Council Budget for the financial year 2022/23 was discussed and reviewed.

Due to Covid the last couple of years have been unprecedented and much planned expenditure has not taken place. This being the case we have decided that, as an exceptional matter, this year we will not be seeking an increase in our Precept from North Somerset.

This only impacts on the part of overall Council Tax directly relating to Cleeve and it is, of course, probable that overall Council Tax in North Somerset will increase. We did however want to avoid adding to the local burden at this difficult time.

CIL (Community Infrastructure Levy) Monies: The Community Infrastructure Levy (CIL) is a new way of collecting financial contributions from developments towards the provision of infrastructure required to support growth in North Somerset. It has been in place since January 2018 and North Somerset Council CIL charges are based on a tariff of rates that have been set through public consultation and examination by the Planning Inspectorate.

Town and Parish Councils in North Somerset will receive a proportion of the CIL funds collected from developments in their Town or Parish.

In Cleeve we have received a payment relating to the re-development of the former Lord Nelson site.

The CIL Regulations state that a Town/Parish Council must use CIL receipts passed to it in accordance with Regulation 59A or 59B to support the development of the local council's area, or any part of that area, by funding:

- (a) the provision, improvement, replacement, operation or maintenance of infrastructure; or
- (b) anything else that is concerned with addressing the demands that development places on an area.

Cleeve Parish Council are consulting the community on any ideas they may have for projects. The ideas must be

- a) For the benefit of the community.
- b) No major infrastructure projects.
- c) Projects up to a value of £5,000.

We will also publish this request on our Facebook page and be available to discuss at parish "surgeries" when these re-commence. We will also review any issues which may arise once the new development is operational in Spring 2022.

Please submit your ideas by email to cleveparishcouncil@hotmail.co.uk or in writing to the following address. The Parish Council will give an update on selected projects in due course.

Cleeve Parish Council,
33 Derham Park, Yatton, Bristol BS49 4DZ.

A Strategy for Traffic in Cleeve: After strong representations by ourselves and our District Councillor, Steve Hogg, we have now had confirmation from Highways at North Somerset Council that the Cleeve scheme is still on their schedule. It should now be implemented in the 2022/2023 financial year.

It seems that the issues around parking are improving but it would be helpful if, in the first instance, that any illegal parking is reported to North Somerset via <https://forms.n-somerset.gov.uk/ad/form/parkingillegally#/1>

It is important to remember that, under the Road Traffic Act 1991, parking was de-criminalised and civil enforcement of car parking regulations, is now carried out by civil enforcement officers operating on behalf of North Somerset Council rather than by the Police.

As we discussed at our November meeting our Annual Parish Meeting this year will look at formulating a strategy to cover the whole of Cleeve and review speed limit options, parking, traffic calming and any other suggestions which are put forward.

Provisionally this meeting will be held in the Village Hall on Tuesday 26th April 2022. Full details will be provided nearer the time but it is intended to include our District Councillor, Steve Hogg, plus representatives of North Somerset Council and the Police.

Air Quality Monitoring: In liaison with North Somerset Council we have arranged to undertake Air Quality Monitoring particularly on the A370 in the area around the Lord Nelson/Tout's development. This is now in place and will give us a reference point ahead of the site being operational.

Bristol Airport: Bristol Airport Public Inquiry has now concluded and the date for announcement of the decision has not yet been set but is expected before the end of January 2022.

VOLUNTEERS NEEDED! We are very grateful to Christine Smart and her Community Are YOU fed up with cars speeding through our village?

Do YOU want to make Cleeve safer?

Ever wondered about how a Community Speed Watch works?

If the answer is YES...

... then join our Cleeve Community Speed Watch Group.

If you are interested then please contact:-Andy Warren on 07932 191964 or email to cleveparishcouncil@hotmail.co.uk Speed Watch Team for their hard work on our behalf but could you help as well?

Allotments: Many years ago there were a small number of allotments available in Cleeve. We have had an email from a local resident expressing interest in taking an allotment on. This is likely to be a lengthy process to investigate viability, but we would be like to hear from any residents who may also be interested.

Please email me at cleveparishcouncil@hotmail.co.uk

The Queen's Green Canopy: The Queen's Green Canopy (QGC) is a unique tree planting initiative created to mark Her Majesty's Platinum Jubilee in 2022 which invites people from across the United Kingdom to "Plant a Tree for the Jubilee." We are planning for Cleeve to be involved by planting a new tree on Pound Green.

The two trees we have secured under the Local Authority Treescapes Funding Scheme (via the Forestry Commission) will be a Hawthorn and a Liquid Amber. It is expected that these will be received and planted by the end of February.

Dog Poo!! Although most dog owners act responsibly there are still examples of instances of dog poo not always being picked up. Whilst this is, of course, anti-social it also is worth reminding dog owners that North Somerset Council have published local Public Space Protection Orders (PSPOs).

The orders state that if you are in charge of a dog you must as a minimum:

- keep your dog(s) under close control at all times
- carry a poo bag
- bag it and bin it – please don't leave bags hanging in trees or bushes
- keep your dog(s) out of children's play areas.

So how can we all do our bit to help turn things around?

- Help is at hand – in the form of a new free app called at <https://poopersnooper.app/get-started>
- Pooper Snooper lets you highlight the problem of dog fouling wherever you are and puts dog fouling on the map! The app also allows you to record and find the location of bins so that it's easier than ever to find where to dispose of your doggy deposits.
 - Communities can use this to highlight and monitor problematic areas and it is hoped that the data will better enable authorities to act, for example, by providing extra and/or better placed bins or by enabling the efforts of over-stretched dog wardens to be better targeted.

Keep Cleeve Tidy: Our Village Orderly, Caroline, does a great job in keeping the village litter free (although this is often an uphill task!). We would be interested to hear if there are any areas of the village which you feel need any special attention at any time. Also if you have any ideas to brighten up the village then please let us know by emailing me on cleeveparishcouncil@hotmail.co.uk or on 07932 191964.

Facebook and Website: You will find us on Facebook if you search Cleeve Parish Council and like our page. We update various issues of local interest, and activities of the Parish Council.

We are also pleased to post a link on our website to view the current "All About Cleeve" each month.

Andy Warren

Clerk to Cleeve Parish Council

PLANT OF THE MONTH FEBRUARY - SNOWDROPS

Finally winter weather knocks the garden for six but nature provides hope. The first flower to rise like a phoenix from the cold ashes is the snowdrop. I don't think there is another bloom that brings so much optimism as snowdrops. Their pure white petals have come to symbolise purity and innocence but also sympathy as they were often found growing in cemeteries.

Galanthus nivalis meaning "milk flower of the snow" were brought to the UK by the Romans but had to wait till 1753 to be botanically named by Carl Linnaeus as part of the Amaryllidaceae family.

Snowdrops thrive in woodland conditions so try to recreate this feeling in your own garden with dappled shade. Plant January to March when the bulbs still have foliage, in the green; over time they will naturalise and spread.

Snowdrops are a genus of 20 species. These bulbous herbaceous perennials have three inner petals with green markings surrounded by three outer petals, not to be confused with *Acis* or *Leucojum*, known as snowflakes. An exceptional snowdrop is *Galanthus nivalis* *pleniflorus* *Flore Pleno*, whose delicate double flower heads are show shoppers.

Look out for snowdrops if out walking around North Somerset or Painswick Rococo Garden, Stroud and East Lambrook Manor, South Petherton are both stunning gardens to visit to see snowdrops en masse. Highly recommend a visit!
