### CHAIRMAN'S MESSAGE

Welcome to the March edition of "AllAboutCleeve". It's been a quiet month as most families have been very restricted in what they can do and where they can go legally due to Government guidelines associated with the Corona virus. But there is much better news than 4 weeks ago with infection rates, hospital admissions and deaths reducing rapidly.

Could we remind parents with school age children that we would welcome any wildlife photos from our area to go in our photographic competition. If we receive some interesting entries, we will ensure that their efforts are recognised at the end of the year Photos taken on iPhones and iPads are acceptable.(contact Ross@mybalmoral.com).

Stay safe!

*Andrew Grogono  
Chairman "AllAboutCleeve"*

### SEEKING VOLUNTEERS

Steve the distribution manager for All About Cleeve is looking for two volunteers to deliver the magazines each month one covering Millier Road and covering Meeting house lane. If you can help please contact Steve on 834412 or email at steviemolloy@aol.com. The requirement is for only ten months of the year as there is no edition in January or August

### If you'd like a distinctive face covering and help to support a local children's charity then read on.....

These are NOT medical masks but are suitable for wearing on public transport, at the supermarket or where social distancing is not easy.

**The total raised to date is around £800 and I'm aiming for the magic £1000.**

**They are £5.00 each and profits go to a local children's charity.**

If you would like a face covering, please take a look at **www.paulinemadehis.co.uk** where all the info is available or email pauline@paulinemadehis.co.uk.

**Choice is fairly random but state whether**

- pretty or plain(ish) (ie female or male) and maybe a colour preference.

I can post to you if necessary (£2.00 postage for up to 4 face coverings) but local pick-up from Claverham or free delivery is preferred (Cleeve, Yatton, Claverham, Congresbury, Clevedon, Nailsea area). These face-coverings are double fabric layer with a pocket for an optional filter and an aluminium strip to go over the nose which is easily moulded to fit. They are all adult size.

If you'd like more info on the supported charity take a look at: <https://www.bartoncamp.org> for more info.

## SPONSORED WALK

The planned walk from Holy Trinity Church to Wells cathedral is being put on hold due to prolonged covid restrictions. The new proposed date and details: **Saturday 29th and Trinity Sunday 30th May**. Given the likelihood of better weather, the plan is to extend the walk covering it over two days.

Day 1: From Holy Trinity Church, Cleeve to Cheddar. 12 miles on lanes, footpaths and the Strawberry Line.

Day 2: From Cheddar to Wells cathedral. 11 miles following the West Mendip Way.

The walk will end with prayers said in the cathedral on Trinity Sunday - our Patronal Festival.

Any sponsorship already pledged will be held until the walk - do please contact Dave Mortimer [838515 cleeve.mortimers@googlemail.com] any time between now and the end of May. All money will go toward the cost of refitting and decorating the church room. If there are those who want to walk with me for any part of the distance on either day, you are welcome but please speak with me in advance.

**Rev Nigel**

**Daily Hope**, a free national telephone line, offers music, prayers and reflections as well as full worship services from the Church of England at the end of the phone.

The line - which is available 24 hours a day on **0800 804 8044** - has been set up particularly with those unable to join online church services during the period of restrictions in mind; to provide comfort and spiritual nourishment to the most isolated in our society.

## BEING HUMAN

It feels like this lockdown has been a long slog, with less energy for zoom, facetime or simply phoning for a chat, but there is no doubt in my mind that it is now more than ever that we need to reach out, as much for ourselves as others. I have been reading *Being Human* by Rowan Williams, the third book in an unintended trilogy that is less about the basics of Christian belief and more about what 'real' humanity might be all about.

It is an extremely thought provoking read, and I highly recommend it to anyone of any faith or indeed if you don't consider yourself a person of faith at all. It challenges our assumptions about individuality, especially in this age of social media, suggesting that being human is much more about how we relate to one another as part of a local, and global community. He goes further to suggest that we should consider this in the broadest sense to include nature and the environment as part of the system within which we undertake our daily lives. I very much agree; it literally is the foundation for life as we know it, and as we have seen, our failure to protect and nurture it, is a failure to protect and nurture ourselves too.

I am truly blessed now to be able to enjoy nature through the eyes of my daughter, who thankfully still seems to enjoy being outside as much as being sat in front of a screen. Fingers crossed we will soon be able to do so with others.

*Darren Hall*

## CLEEVE LADIES GROUP

I do hope all members have been keeping well and hopefully are feeling excited and more secure having had your jabs! Sue C from Yatton has kindly collected completed knitted items from those members who have been busy during the pandemic as the premature baby knits were urgently needed. Thank you also for the circulation of books between members as I understand there has been plenty of reading going on! I have still to catch up!!

Hopefully this year we will be able to look forward to resuming activities.

## **COURT DE WYCK PTA IS A CO-OP LOCAL COMMUNITY CAUSE**

We're delighted that Court de Wyck School PTA has been chosen to benefit from the Co-op Local Community Fund.

We're raising funds for a Forest School within the grounds of the school. Over the last year, most of our pupils will have missed many months of being in school due to the coronavirus pandemic. This will undoubtedly have had a negative impact on their educational progress and in some cases their physical and mental wellbeing. Forest Schools are known to build confidence and independence, physical fitness, improve mental health and promote team building.

At a time when fundraising for community groups is difficult we're incredibly grateful for this opportunity to make a real difference. To help us raise vital funds, we'll be relying on Co-op Members. When a member buys selected branded products and services, the Co-op will give a helping hand to local causes like ours.

If you're not a Co-op member why not join either in store, online or by downloading the app. As a member you can:

- earn 2p back for every £1 you spend on selected Co-op products and services
- save on your shopping every week with personalised offers
- get more discounts and deals on Co-op services and products

Co-op members can select us as their local cause by visiting [Co-op](#). We really hope that people will visit the Co-op website or download the Co-op app and select us as their local cause.

## **YATTON LOCAL HISTORY SOCIETY**

Tuesday March 2nd 7 30pm by Zoom and telephone

The AGM will be followed by a talk on Leigh Court and Stoke Park Colony by David Ford.

David Fords father was hospital administrator for Leigh Court and will cover the history of Stoke Park Colony for patients with mental disabilities.

If you are not a member and want to join or want to register an email address please contact YLHS at [yattonlocalhistorysoc@gmail.com](mailto:yattonlocalhistorysoc@gmail.com)

## **TIPS FROM CLEEVE NURSERY**

Mow the grass on dry days. Roll lawns [slowly!] to even out bumps. This is especially effective when the soil is moist.

Reshape lawn edges using a sharp half moon lawn edging iron. Consider installing lawn edging to support the edges.

Divide overcrowded clumps of herbaceous perennials, discarding the older central part and replanting the younger more vigorous outer sections.

## COMMUNITY RESILIENCE UPDATE

Just a few lines from the Community Resilience (CCR) team. Firstly, we receive a weekly update from North Somerset District Council which is circulated widely in the village to all Community resilience volunteers, All About Cleeve distributors, Rev. Nigel and the Parish Council.

In addition useful information is regularly posted on the Parish Council Facebook page by the Parish Clerk Andy. You can also ring either of our co-ordinators with any queries, their details are on the contacts page.

Next, we are encouraging everyone in the village to look out for their neighbours. We, as the CCR team, can do our bit but nobody knows our residents better than their family, friends and neighbours. Is there anyone you haven't spoken to in a while? A brief phone call, email or socially distanced chat can do wonders to keep peoples spirits up in difficult times.

Sally, our stalwart team member, regularly contacts the villagers on our vulnerable list to ensure that they are safe and appropriately supported.

Finally, with (hopefully) an end in sight, with the roll out of the vaccines, now is not the time to compromise anyones safety by ignoring social distancing, handwashing or guidelines associated with the wearing of masks.

Lets hope we can all look forward to a Spring and Summer of recovery with a positive outlook.

Stay safe and take care

*Steve, Sally and Ross  
Cleeve Community resilience co-ordinators*

Score 1-5 you need to get out more (If only we could!) 6-8 (really good effort) 9 or 10 (you old Hippy you!) Answers on p. 23 (no cheating!!!)

## CLEEVE CHILDREN'S ALLSTAR/KWIK CRICKET 2021

The month of May might well seem quite some time away.....

Assuming we have all had enough of Netflix by then and hoping we might all be allowed out our bubbles, Cleeve Cricket Club plan to start another season of Cricket practice for all Children in and around Cleeve on FRIDAY nights 6pm for all those 6 to 16

For Under 11s it's organised Kwik Cricket out on the field with softer bats and balls. For Boys AND Girls that bit older it's proper organised nets and fielding practice from 6pm onwards with the Cleeve Coaches

For Mums and Dads it's a chance to enjoy the recently refurbished Sinclair pavilion and the chance to talk about all that decorating we've all enjoyed doing over the last 12 months !

Government Advice :-

'Outdoor play has been proven to give Children more advanced motor skills than their "indoor" peers, including coordination, balance and agility'

Hope to see you all soon

*Mark Jones*

## FOCOS (FRIENDS OF CLEEVE OVER SIXTIES)

Winning numbers for the FOCOS lottery

2nd January	37	Yvette King
30th January	42	Jen Lankester
6th February	6	Jean Ashman

Well done to all our winners.

We have heard from lots of our clientele that they have had their first jab, and are looking forward to receiving No.2. Therefore, with luck and the end of lockdown, we look forward to resuming our normal programme of events later in the year.

However your continued support of the FOCOS lottery will ensure that we can all look forward to some great times in the future.

## 8.00PM 18TH MARCH – FOR EVERYONE

On some occasions during this last year I have been one of those people who has needed help and has been given it. On other occasions I have been one of those people who has given help to someone who needed it. Both have been lovely experiences.

Last year, I believe that it was on 19th March, there was the first ever Thursday night 'Clap for carers'. I was reassured by the chance to see that my neighbours were around and functioning. I enjoyed the chance to exchange news in a socially distanced way. It was great to be able to hear nearby roads doing the same. So I am suggesting that this year, at 8.00pm on Thursday 18th March, (the nearest Thursday to the original) we all go outside and make as much noise as we can – for carers – for everyone.

#### NEWS RELEASE

## Exciting New Future for Churchill Sports Centre?

### WANTED – YOUR VIEWS

*Aerobics, Swimming, Studio cycling, Zumba, Pilates, Canoeing, Tennis, Judo, Netball, Basketball, Squash, Aqua therapy, Badminton...*

Churchill Sports Centre is currently under threat of permanent closure. A working group of ex-sports centre members, regular users, instructors, local residents and councillors think there is, but they need to know if residents *value* the centre and want it to *thrive*. If they do support it, then what are the activities that they want to be available there?

Keeping fit with regular exercise is vital for physical and mental wellbeing. The working group, 'Mendip Villages Fitness', urges everyone to take just 5 minutes to complete their on-line/paper survey to discover what types of activities would be most popular.

Do people want a fully equipped gym that also offers judo, Zumba and yoga classes? What about tennis courts and netball? Are parents having difficulty finding swimming lessons and holiday clubs for their children or a canoe club for older children? Should we consider mother and baby classes as well as gentle exercise for the 'less young', a coffee lounge or physiotherapy? Does Aqua therapy appeal?

With your help and support, and simply knowing your views, Mendip Villages Fitness working in collaboration with North Somerset Council, the ten Parish Councils in the surrounding area and Churchill Academy, will find the right fitness solution for our communities.

All views are needed - friends, neighbours, children, adults, students, parish councils, organisations, companies that would like to offer fitness to their members – in fact EVERYONE!

**Complete the survey:** [www.surveymonkey.co.uk/r/MendipVillagesFitness](http://www.surveymonkey.co.uk/r/MendipVillagesFitness)

**Deadline: Sunday 7 March 2021**

## CLEEVE PARISH COUNCIL UPDATE

We hope that you are all continuing to keep safe and well in these difficult times.

**Council Meetings:** Since March 2020 all our Council Meeting have been held remotely via “Zoom” and/or “Microsoft Teams” and current guidance is that this should continue for the time being.

Details of meetings, agenda’s and details of how to join the meeting are published on the website ahead of meetings.

You can access our website at [www.cleeveparishcouncil.co.uk](http://www.cleeveparishcouncil.co.uk)

The Annual Parish Meeting will be kept under review as circumstances change and Councillor Surgeries are on hold but we intend to have more once we are able to do so.

**30mph Speed Limit on Cleeve Hill Road:** Although delayed due to Covid the work to put the 30mph limit in place on Cleeve Hill Road is now moving forward. North Somerset Council are aiming to complete this work before the end of the current financial year in March.

**Pound Green:** As reported in December work has been commissioned to reduce the height of a conifer and this work is expected to be completed during March.

**Dog Poo!!** Although most dog owners act responsibly there seems to be an increase in instances of dog poo not always being picked up. Whilst this is, of course, anti-social it also is worth reminding dog owners that North Somerset Council have published local Public Space Protection Orders (PSPOs).

**The orders state that if you are in charge of a dog you must as a minimum:**

- keep your dog(s) under close control at all times
- carry a poo bag
- bag it and bin it – please don’t leave bags hanging in trees or bushes
- keep your dog(s) out of children’s play areas.

**Keep Cleeve Tidy** Our Village Orderly, Caroline, does a great job in keeping the village litter free (although this is often an uphill task!). We would be interested to hear if there are any areas of the village which you feel need any special attention at any time. Also if you have any ideas to brighten up the village then please let us know by emailing me on [cleeveparishcouncil@hotmail.co.uk](mailto:cleeveparishcouncil@hotmail.co.uk) or on 07932 191964.

**Census 2021:** Census 2021 is coming. By taking part, you can help inform decisions on services that shape your community, such as schools, doctors’ surgeries and bike lanes.

It’s important you fill in your census questionnaire because the information you share affects the life of every single person living in England and Wales.

Because these things matter to us all, everyone needs to complete the census. Do not worry, your information is protected by law. That means government officials dealing with payments or services you receive cannot see it.

Census Day is Sunday 21 March. You can fill yours in online as soon as you get your access code in the post. If your household circumstances change on Census Day, you can let The Office for National Statistics (ONS) know.

If you need help, you can visit [www.census.gov.uk](http://www.census.gov.uk) where there’s a wide range of support services available.

**Coronavirus Updates:** The Parish Council will continue to post important information from Public Health England and the Government, relating to the pandemic, on our Facebook page and website.

**In the meantime...**

**Facebook:** You will find us on Facebook if you search **Cleeve Parish Council** and like our page. We update various issues of local interest, and activities of the Parish Council.

We are also pleased that we will be posting a link to view the current "All About Cleeve" each month.

**Could you be a Parish Councillor?** We currently have a vacancy for a councillor on Cleeve Parish Council which the Parish Council will fill by co-option.

If you are interested please complete an application in accordance with the "Application for Co-Option onto Cleeve Parish Council" form available via our website <http://www.cleeveparishcouncil.co.uk> and return it to [cleeveparishcouncil@hotmail.co.uk](mailto:cleeveparishcouncil@hotmail.co.uk)

Being a Councillor is so much more than sitting around a table discussing planning applications. Being a Councillor means you help represent **your village**, a place **you** have chosen to live, a place **you** want to succeed and a place **you** want to continue being happy in.

We need some new ideas and fresh faces to take Cleeve forward in the right direction.

The Parish Council meets once a month on the 2nd Tuesday from 7.30pm, (CURRENTLY REMOTELY VIA VIDEO LINK) the meetings are relaxed and welcoming, and most decisions are made during the meeting so there is little for Councillors to follow up on.

*Andy Warren*

## END OF AN ERA

## TIPS FROM CLEEVE NURSERY

Indoor Azaleas should be kept cool and watered with rain water regularly. Start to feed them when new shoots appear. In May they can be put outside for summer.

Pot indoor plants into bigger pots but check that they need it first! Gently knock the plant out of the pot and, if the roots are covering most of the compost, the plant will benefit from moving into a pot one or two sizes bigger. If they aren't yet then wait a while.

Sow tomato, pepper and cucumber seed for delicious fresh home grown vegetables from a greenhouse. Sow for growing outside in about 6 week's time.

Plant strawberry runners if you missed autumn planting.

# ✠ CHURCH NOTICE BOARD ✠

## MARCH

Church services in both Holy Trinity and St. Barnabas are suspended until further notice due to covid restrictions.

Weddings and funerals are allowed but must comply with current guidelines.

Holy Trinity church is open for *private prayer* on Wednesdays and Sundays from 10am to 12 noon. Devotional material is available inside, with evolving displays and prayer stations for the season of Lent.

The old churchyard and the new churchyard with the small labyrinth are both open.

Our churches continue to be active online:

- a 6pm service of music, readings, prayers, reflections and chat every Sunday via Zoom
- a Lent study course, In *The Footsteps of Jesus*, every Wednesday 7pm.

Request the link from the team office [details below].

A weekly reflection by Rev Nigel can be viewed on Facebook – *Cleeve and Claverham Messenger* page - and on the Yatton Churches website under *Thoughts for the Day* [Cleeve].
