The meeting will be held in the Village Hall on Tuesday 26th April 2022.

A West of England Rural Network Project, funded by North Somerset Community Renewal Fund, in partnership with Alive Activities & Cleeve Parish Council.

**Parking issues in Cleeve:** It seems that the issues around parking continue to present a challenge and it would be very helpful if, in the first instance, any illegal parking is reported: <https://forms.n-somerset.gov.uk/ad/form/parkingillegally#/1>

It is important to remember that, under the Road Traffic Act 1991, parking was decriminalised and civil enforcement of car parking regulations, is now carried out by civil enforcement officers operating on behalf of North Somerset Council rather than by the Police.

**CIL (Community Infrastructure Levy) Monies:** The Community Infrastructure Levy (CIL) is a new way of collecting financial contributions from developments towards the provision of infrastructure required to support growth in North Somerset. It has been in place since January 2018 and North Somerset Council CIL charges are based on a tariff of rates that have been set through public consultation and examination by the Planning Inspectorate.

Town and Parish Councils in North Somerset will receive a proportion of the CIL funds collected from developments in their Town or Parish.

In Cleeve we have received a payment relating to the re-development of the former Lord Nelson site.

The CIL Regulations state that a Town/Parish Council must use CIL receipts passed to it in accordance with Regulation 59A or 59B to support the development of the local council's area, or any part of that area, by funding:

- (a) the provision, improvement, replacement, operation or maintenance of infrastructure; or
- (b) anything else that is concerned with addressing the demands that development places on an area.

Cleeve Parish Council are consulting the community on any ideas they may have for projects. The ideas must be

- a) For the benefit of the community.
- b) No major infrastructure projects.
- c) Projects up to a value of £5,000.

We will also publish this request on our Facebook page and be available to discuss at parish "surgeries" when these re-commence. We will also review any issues which may arise once the new development is operational in Spring 2022.

Please submit your ideas by email to [cleeveparishcouncil@hotmail.co.uk](mailto:cleeveparishcouncil@hotmail.co.uk) or in writing to the following address. The Parish Council will give an update on selected projects in due course.

Cleeve Parish Council,  
33 Derham Park  
Yatton,  
Bristol  
BS49 4DZ.

**Air Quality Monitoring:** In liaison with North Somerset Council we have arranged to undertake Air Quality Monitoring particularly on the A370 in the area around the Lord Nelson/Tout's development. This is now in place and will give us a reference point ahead of the site being operational.

**Allotments:** Many years ago there were a small number of allotments available in Cleeve. We have had an email from a local resident expressing interest in taking an allotment on. This is likely to be a lengthy process to investigate viability, but we would be like to hear from any residents who may also be interested.

Please email me at [cleeveparishcouncil@hotmail.co.uk](mailto:cleeveparishcouncil@hotmail.co.uk)

**Dog Poo!!** Although most dog owners act responsibly there are still examples of instances of dog poo not always being picked up. Whilst this is, of course, anti-social it also is worth reminding dog owners that North Somerset Council have published local Public Space Protection Orders (PSPOs).

The orders state that if you are in charge of a dog you must as a minimum:

- keep your dog(s) under close control at all times
- carry a poo bag
- bag it and bin it – please don't leave bags hanging in trees or bushes
- keep your dog(s) out of children's play areas.

So how can we all do our bit to help turn things around?

- Help is at hand – in the form of a new free app called <https://poopersnooper.app/get-started>

- Pooper Snooper lets you highlight the problem of dog fouling wherever you are and puts dog fouling on the map! The app also allows you to record and find the location of bins so that it's easier than ever to find where to dispose of your doggy deposits.

- Communities can use this to highlight and monitor problematic areas and it is hoped that the data will better enable authorities to act, for example, by providing extra and/or better placed bins or by enabling the efforts of over-stretched dog wardens to be better targeted.

**Keep Cleeve Tidy:** Our Village Orderly, Caroline, does a great job in keeping the village litter free (although this is often an uphill task!). We would be interested to hear if there are any areas of the village which you feel need any special attention at any time. Also if you have any ideas to brighten up the village then please let us know by emailing me on [cleeveparishcouncil@hotmail.co.uk](mailto:cleeveparishcouncil@hotmail.co.uk) or on 07932 191964.

**Facebook and Website:** You will find us on Facebook if you search Cleeve Parish Council and like our page. We update various issues of local interest, and activities of the Parish Council.

We are also pleased to post a link on our website to view the current "All About Cleeve" each month.

I can be contacted on 07932 191964 and by email on [cleeveparishcouncil@hotmail.co.uk](mailto:cleeveparishcouncil@hotmail.co.uk) [www.cleeveparishcouncil.co.uk](http://www.cleeveparishcouncil.co.uk)

### TIPS FROM CLEEVE NURSERY

Pot indoor plants into bigger pots but check that they need it first! Gently knock the plant out of the pot and, if the roots are covering most of the compost, the plant will benefit from moving into a pot one or two sizes bigger. If they aren't yet wait a while.

Prune winter flowering Jasmine and shrubby honeysuckle now. This will encourage new growth and give them time to initiate new flower buds for next year. Early flowering shrubs like Forsythia, Currants and flowering quince can be pruned back after flowering.

## PLANT OF THE MONTH - NARCISSUS

Narcissus have a reputation for cheerfulness. These often undervalued trumpets symbolise hope, luck and new beginnings. Folklore states giving a bunch of daffodils will bring happiness so spread some joy to your friends.

Daffodil is the common name for the Narcissus genus. The name originates from Greek mythology where vain Narcissus was cursed and fell in love with his own reflection. When he died legend says a flower rose from the spot - so this was named 'Narcissus'. Another myth suggests the name is derived from the strong scent and the greek word for narcosis meaning "I grow numb" (from the scent)

Indoor blooms love cool, light spots and lots of water. Remove faded flowers to preserve energy and once flowering has finished plant the bulbs in the garden where foliage will die down and remain underground until they bloom next year.

The Narcissus genus is a kaleidoscope of diverse species which have developed from wild and cultivated plants. These insect-pollinated perennials break down into 13 main divisions including trumpet, large and small cupped, triandrus, tazetta, jonquils, bulbocium and poeticus. Bulbs naturalise across meadows and marshland and with the right conditions a field can bloom for decades as bulbs divide. As well as being low maintenance bulbs to grow in our gardens, they make excellent, long-blooming cut flowers.

Just be aware all parts of daffodils are toxic to humans and pets if eaten as they contain alkaloids.

My favourite daffodil hovers between the intensely scented white 'Thalia' and 'Paperwhite' to the late flowering 'Pheasant Eye' *Narcissus poeticus*.

Immortalised in poetry by William Wordsworth and holding the rather important accolade of being the national flower of Wales, daffodils really are a plant to be respected and admired.

### HOLY TRINITY PANCAKE BRUNCH

Thank you to everyone who supported the Pancake Brunch at the Village Hall. We had over 70 people attending and raised £467, which was amazing, and will be used towards paying for some very expensive Quinquennial work at Holy Trinity.

I would also like to thank all the ladies that worked so hard on the day, and others who supported us with raffle prizes and cakes. Also it was wonderful to share with Trevor Horsley on his 90th Birthday.

Finally, the best part of the day was the pleasure everyone told us that they had enjoyed by just being there and soaking up the fun, company and friendship.

Thanks again

*Lin*

### CLEEVE IN THE WAR YEARS

Here is a photograph of Cleeve on a winter's day in World War II. Not much on the roads as you can see, but notice the black and white painted kerb stones marking out the entrance to Cleeve Hill Road. Road markings like this were all over the country in the black-out years. If you take a photograph from the same position in a few months' time this scene will unfortunately be greatly changed, more than it has already.

## NORTH SOMERSET ARTS PARTY

We are delighted to announce that this will take place at 7.30 - 10 pm on Friday 8th April 2022 at Cleeve Village Hall, Cleeve – Our TWENTIETH birthday party!!!

We will be dancing to:-

Locked Horns: the amazing three-piece party band with a jazz-funk groove. Driving rhythms, electric guitar and charging horns

The dulcet tones of singer and musician, Owen Francis-Black. Owen is a talented singer/songwriter from Bristol and you can find out more information about his music [here](#).

The fabulous Paul O'Donnell with his acoustic guitar, covering rock and pop classics. Along with the fantastic music, there will be beverages as well as a TOMBOLA/ RAFFLE and an EXHIBITION of ORIGINAL POSTCARD ART. All work is for sale.

Celebrating the wonderful achievements of all our members and supporters after a difficult few years, the party also provides the opportunity to raise much-needed funds with all proceeds used to support our members and create exciting new events for 2022 within the community.

The ORIGINAL ART POSTCARD EXHIBITION and SALE is an exciting opportunity for everyone (members and non-members) to submit an A5

(148 x 210 mm or 5.8 x 8.3 inches) artwork on paper or card before the 8th of April 2022. These will be exhibited at the Cleeve Village Hall during the Party and sold during the event. Donations are also welcome for the Tombola with tickets on sale shortly!

Tickets for the North Somerset Arts Party are now on sale through Eventbrite.

## THE REGENERATION OF THE PLAYING FIELD HEDGEROW

When David Birdsall retired, he took the opportunity and went on a hedge laying course. That was over 12+ years ago. With his new skills, he volunteered to lay the boundary hedge of the playing field along the A370. He maintained it when he could, and it gave him great pleasure to do so.

The Trustees would like to thank his wife Mrs Myra Birdsall for her very kind generosity in memory of her late husband David as Myra has commissioned Chris Cook of Wriington Hill to re-lay the boundary hedge along the A370.

The hedge has been re-layed by Chris and his team to regenerate it and whilst it may initially look drastic, we will see fantastic regrowth in the next few months. You will also notice that over 100 new saplings have been planted to fill the gaps.

This is great conservation and provides a corridor of shelter and food for all sorts of birds and small mammals. You will also see the daffodils coming through and trees into bud that families have planted over the years in memory of their loved ones.

Anyone wishing to donate or plant something within the King George V Playing Field, please contact the trustees. Thank you.
