## CHAIR'S WELCOME

As usual we have an interesting mix of articles and snippets in this month's edition, ranging from spring flowers to modern day slavery. We celebrate some fantastic fundraising for local charities as a result of a successful pancake day lunch and of course we have valuable gardening advice and ideas and some notices about what's on in and around Cleeve. Please continue to suggest and contribute articles and let us know about local events that might interest the residents of Cleeve. We are very open to feedback so do let us know if you feel we should include some different topics.

As I write this, we are enjoying wall-to-wall sunshine, and doesn't it make everything feel just a little bit better!

*Denis Burn*

## VOLUNTEER SOUGHT TO REVIEW THE ACCOUNTS OF CLEEVE PLAYING FIELDS

Our playing fields in Cleeve are not owned by the Council but are run by a registered charity run by Cleeve-based volunteer trustees, chaired by Colin Warren. As a registered charity, we must file our accounts annually with the Charity Commission. The accounts are prepared by our Treasurer, an experienced accountant, and it is a Charity Commission requirement that these accounts are independently reviewed (checked against supporting paperwork) before filing.

We are looking for a volunteer to perform these independent reviews - the reviewer needs to have an understanding of accounting, but does not necessarily need to be a qualified accountant. We estimate that the total effort required is around two days a year. If you think you might be able to help, please contact the Treasurer, Adam Mantzos, on 07785 288 072 or at [adam.mantzoz@gmail.com](mailto:adam.mantzoz@gmail.com) to find out more.

### **TIPS FROM CLEEVE NURSERY**

Mulch winter flowering heathers with ericaceous compost (which has a low pH). After flowering, trim the dead heads off to keep the plants compact.

Prune side shoots on grape vines back to five leaves on non fruiting laterals and two buds beyond flower clusters.

## HOLY TRINITY PANCAKE LUNCH and LENT LUNCH

On Shrove Tuesday there was a super turnout of parishioners, villagers from Cleeve and Claverham, together with Mothers' Union members from nearby branches who all enjoyed soup, filled rolls and two sweet pancakes, plus a convivial chat with friends and neighbours at Cleeve Village Hall.

The following Tuesday we welcomed over 50 people into the Church Room at Holy Trinity for the Lent Lunch. This was bit more frugal than pancakes, being in Lent, but soup, roll and fruit were well received, with a naughty fruit pie on offer for those adverse to fruit!!

Thank you to everyone who came and supported these events, and also to those who worked so hard and helped to make both events so enjoyable and successful.

Finally, thanks to everybody's generosity, we have been able to send:-  
from the Pancake Lunch - **£683.25 to Clevedon Foodbank** and **£250.00 to the Mothers' Union** to help with their work of their UK charity 'Away From It All';  
and from the Lent Lunch - **£331.00 to the Clewer Initiative**, for its work to eradicate modern day slavery in this country.

## TIPS FROM CLEEVE NURSERY

## **TIPS FROM CLEEVE NURSERY**

Pot indoor plants into bigger pots but check that they need it first! Gently knock the plant out of the pot and, if the roots are covering most of the compost, the plant will benefit from moving into a pot one or two sizes bigger. If they aren't yet then wait a while.

Plant main crop potatoes. Early varieties may need earthing up to exclude the light from the tubers. Cover shoots with fleece to protect from frost damage.

Plant outdoor grape vines in well drained soils in full sun. A pH of around 6.5 -7 is preferred.

## **SPRINGTIME IN NORTH SOMERSET.**

One thing I notice more than anything while travelling around the beautiful area we live in is colour. As we are seeing the end of winter, the grass in the fields has started to change from the dull greens and yellows of the last few months to a vibrant green. It's a sign nature is coming out of hibernation and we can look forward to some warmer weather. As winter ends with mornings getting lighter earlier and evenings drawing out so spring flowers start to appear. The white of snowdrops in January are followed by, crocus, daffodils and primroses in February and March and can be seen along many of our roadside verges. If you get a chance to explore our local woodlands no doubt you will find bluebells. This is an ancient woodland flower that forms a carpet of blue in late spring. A carpet that should be admired and not walked on! Whilst these flowers make a fantastic view, they also provide much needed food for insects. Later flowers such as dog violet, cow parsley, and daisies provide a fantastic source of food for pollinators. These flowers are found widely across British farmland. In some cases, the farmer has planted them but, in the majority, the farmer has just looked after them to make sure they are there and flower year after year. Areas of fields that aren't very productive are often left uncultivated. Nature doesn't take long to self-seed and develop and before long there is a small area of pollen and nectar producing plants which bees and butterflies thrive on. There are aspects of local flower life shared with few other areas. The distinctive yellow flowers of gorse can be seen in various places on the Mendips and if you have the chance to walk through it you will be enveloped by the smell of coconut. Whilst gorse can be found in many places around the UK the same can't be said about the Cheddar Pink. The Cheddar Pink is a rare and protected flower found in Cheddar Gorge and the immediately surrounding area. Some can be found on a rocky outcrop on farmland just past the top of the Gorge. They are out of reach of the cattle which graze the rough grassland surrounding the outcrop so are defended by nature. Every year in June they become a vision of pink with a series of five petalled flowers clumped together on a couple of limestone steps. We are very lucky living where we do. There is so much to see and the flowers of our farm and woodlands are just a part of it.

## **WORLD BOOK DAY AT COURT DE WYCK**

The celebrations at Court de Wyck for World Book Day were a huge success. Instead of dressing as book characters, this year the children and staff took a creative twist and dressed up as words. Imaginative costumes covering a huge variety of words, along with the fun everyone had exploring the power of language and words, made for a very special day.

## **TIPS FROM CLEEVE NURSERY**

Keep a few corners wild and somewhat untidy. This will be preferred by wildlife to tidy and intensively cultivated areas.

It's not too late to hang up bird nesting boxes. We have a great range.

Remove winter protection from tender and exotic plants like bananas and tree ferns.

## **MODERN DAY SLAVERY**

On 18 February Cleeve Mothers Union had a guest speaker, Alastair Redfern, Chair of the Clewer Initiative (the Church of England's response to modern slavery). Alastair spoke about modern day slavery and the dreadful impact this has on vulnerable people. So many of the world's problems fuel this dreadful trade: conflict, poverty, migration, famine, social upheaval. Criminal gangs prey on vulnerable people, sometimes bringing them illegally into the country, retaining their passports and forcing them to work for no wages and often in shocking conditions. Modern day slavery is amongst the highest earning activities for criminal gangs, organised by complex, international networks making it hard for the police to find the key people. And yet it lies not far beneath the surface particularly where low paid, transient work is involved: car washes, agency cleaners, seasonal workers, prostitution, care workers, cheap clothes from overseas that have been produced by exploited workers. Alastair mentioned awful stories of how gangs in this country identify vulnerable people, for example outside food banks, and how they begin to exert control over them. He encouraged us all to open our eyes to these things, become more aware and care for those around us.

## **NORTH SOMERSET ARTS WEEK MAY 3RD – MAY 11TH 2025**

There are several venues in and around Cleeve at this year's Arts Week. Claire Hall will be exhibiting at her studio in Chelvey Batch. Brockley Hall and Cleeve nursery are showcasing the work of 5 artists with paintings, enamels and glass among others. Holy Trinity Church will be the temporary home to 12 artists showing paintings, prints, textiles, jewellery, printmaking and various other disciplines. The North Somerset Embroidery and Textile Group is joining in with a 2-day exhibition at Cleeve Village Hall and will be offering a canvaswork workshop on both afternoons. Paul and Renate will be opening their home as usual, where they will be joined by a mixed media artist.

And there will be three venues in Claverham – St. Barnabas Church, where you will find jewellery, wire sculptures and 'The Feather Lady', plus another 7 artists in the Barn Gallery at the Meeting House and the Meeting House itself, where visitors can admire paintings, ceramics, mixed media and mosaics.

Details about opening times as well as information on all the other venues in North Somerset can be found on the website [www.northsomersetarts.org](http://www.northsomersetarts.org) as well as in the brochures, which will be widely available in local shops and other locations.

*Elke Davies*

## **TIPS FROM CLEEVE NURSERY**

Cut the old flowers off Mahonias. If you cut a little of the stem too then it may encourage more branching. Varieties that regularly produce the lovely blue berries such as *M. aquifolium* should not be pruned.

Trim your lawn edges as this simple task has a remarkable effect on the overall impact of your garden. If the edges have become irregular, use a half moon edging iron (stainless steel ones are best) to sharpen them up.

## CLEEVE PARISH COUNCIL

### Council Meetings

Meetings are held in Cleeve Village Hall on the 2nd Tuesday of each month (except August and December when no meetings are held).

Details of meetings, agendas and minutes continue to be published on our website.

You can access our website at [www.cleeveparishcouncil.co.uk](http://www.cleeveparishcouncil.co.uk) or via this QR code

**Community Governance Review 2025:** This Consultation has been published by North Somerset Council and looks at Parish representation:-

**Community Governance Review:** 2025 North Somerset Council will be undertaking a Community Governance Review (CGR) this year of all parishes within its area. Further information can be found on our website at [www.n-somerset.gov.uk/cgr](http://www.n-somerset.gov.uk/cgr), which we will keep updated throughout the process. The consultation will run from 21 February to 30 April 2025.

**Annual Parish Meeting:** The Annual Parish Meeting will be held on Tuesday 15<sup>th</sup> April at 7.00pm in Cleeve Village Hall. Please see separate notice in this magazine.

**BT Payphone on Pound Green:** We have been advised that, due to lack of use, the BT Payphone on Pound Green will be taken out of service.

A notice has been placed on the phone box and, if you think it should stay you can make representations until 03 June 2025.

BT will take account of representations made when making the final decision. The reasons for the decision will be published on [www.bt.com/payphones/service](http://www.bt.com/payphones/service)).

If you have any questions or want to make representations, please email [bt.authorisation.team@bt.com](mailto:bt.authorisation.team@bt.com)

Another option may be for any interested group to 'adopt' the phone box and turn it into something completely different. With payphone usage falling boxes have been reinvented as cafes, mini-libraries, and defibrillator sites. Communities can adopt most red boxes for just £1.

### Facebook and Website

You will find us on Facebook if you search **Cleeve Parish Council** and like our page. We update various issues of local interest, and activities of the Parish Council.

We are also pleased to post a link on our website to view the current "All About Cleeve" each month.

## TIP FROM CLEEVE NURSERY

Feed citrus plants with a higher nitrogen liquid feed.

## PLANT OF THE MONTH BEAUTIFUL BLUEBELLS

*Hyacinthoides non-scripta*, or the common bluebell, is one of the UK's most cherished, iconic wild flowers to grace ancient woodland.

April sees local woods and hedgerows carpeted with breathtaking blue hues that cover areas in vast swathes. As well as enthralling us, bluebells are tremendously beneficial to wildlife from bees and butterflies to even hoverflies who crave their nectar.

These beautiful deep violet-blue flowers emit a sweet scent that epitomises spring. Seek out your nearest bluebell wood but tread carefully, their succulent leaves damage easily.

It is illegal to dig up bluebells in the UK, they are protected under the Wildlife and Countryside Act of 1981 so get down to your local garden centre and grab some flowering bulbs to pot up or plant out and bring a little bit of woodland to your garden.

The vigorous Spanish bluebell, *Hyacinthoides hispanica*, was introduced as a garden plant in the 17th century but has caused problems through cross pollination creating a hybrid bluebell so although Spanish bluebells are not banned or on the UK's invasive plant list be cautious not to grow them near native bluebells. Spanish bluebells are easy to identify as they are lighter in colour, larger and stand tall and upright without the desirable, dainty droop of English bluebells.

Steeped in folklore, bluebells are linked with fairies and witches; ring one of the bells to summon a fairy but mind out, you might find one sheltering in a flower from the rain! Bluebells do traditionally have an association with bad luck but I prefer to focus on the positive aspect of this gorgeous flower as a symbol of everlasting love.

## CLEEVE CRICKET 2025 SEASON

As Winter at last gives way to Spring, it won't be long before we look forward to the new 2025 Cricket Season starting in May.

Net practice outdoors resumes here at Cleeve at the start of April, once the clocks change.

Both 1st & 2nds XIs are looking forward to another competitive season after the 1st Team finished a very creditable mid table in the top division and the 2nds gaining promotion having won their league last year.

There will also be a Sunday Development XI for younger players and a few old codgers !

New players are more than welcome to come along once practice begins.

For younger age groups there is an U11 team starting, practicing on a Friday and playing Sunday mornings

For younger children the club is again running its ECB AllStars program for (U8s) and Dynamos (9-11s) every Friday night starting the first Friday night in May @ 6pm.

The club would be delighted to see local children join us in participating in organised soft ball cricket

For the Parents who might look forward for a little refreshment at the end of a busy week, you can look forward to The Sinclair Pavilion Bar being open from 6:30 Friday evenings

We look forward to seeing you in the Summer !

*Mark Jones*
