CHAIR'S WELCOME

As I write, the Sun is at last shining such that Spring feels it has finally arrived! This season, Bluebells especially seem to be thriving and competing well with Wild Garlic's abundant white display in King's Wood.

All About Cleeve needs new advertisers, so any suggestions on who to approach would be really appreciated. New articles are also always of interest, so if you have something to contribute please also do contact (details below).

Lastly, a reminder that the Welcome Room, running between 2-4pm each Thursday in Holy Trinity Church's Room, is open to ALL in both Cleeve and Claverham.

CLEEVE VILLAGE HALL COMMITTEE REQUIRES A TREASURER

Cleeve Village hall, our tremendous local venue, is managed by a volunteer committee. One of the positions we need to fill is that of treasurer.

Our current incumbent is very busy with his 'day job' and, although the role only requires a little regular maintenance he is struggling to find the time.

The ideal person will have some computer skills and be willing to devote some time towards the role. A full handover will be arranged

Please contact the Chairman Mark Bennett in the first instance at select1992@hotmail.co.uk

SOUPA THURSDAY - HOLY TRINITY WARM ROOM

Our final Soupa Thursday of the 2024 winter was on 28th March. During the five months of its operation, we had over 60 individual visitors. Most weeks we averaged 15-20 people popping in for a soup, a chat, a warm up or just a spot of company.

Thank you to all the helpers, without whom Soupa Thursday could not have functioned – I hope that they enjoyed it as much as I did.

Don't forget – The Welcome Room is now open – every Thursday 2pm-4pm.

CLEEVE TENNIS CLUB

Well the Tennis club has got off to a great start for 2024 with a free trial for Jan and Feb which was a great success gaining 4 new members, we have had brand new LED lights fitted in March and they are fantastic for evening play. We also raised over £600.00 at our Barn Dance in March, it was very well attended and lots of fun.

The Winter League is now over and we had success with the A team who managed to come second in Division 3 gaining promotion to division 2, unfortunately the B team were not as successful and unfortunately got relegated, however they all enjoyed the competitive tennis as they had some very close matches.

The Summer league starts in May and Cleeve are putting out two Men's teams and one ladies team (we could do with some more Ladies please) good luck to all three teams.

Coming up is a Junior Tournament Sunday 14th April this is between, Backwell, Wrington, Congresbury and Cleeve , last year Cleeve were victorious, lets hope we can do the same this year

We also have our first open day of the year, to be held on Sunday 28th April from 11.00am to 4.00 this is for Juniors and adults to come along to the courts and get a feel for the club, we will have a free BBQ, music lots of fun games for the children and adults are welcome to join in. on the day we will be running a special offer of a trail three month membership at a cost of only £39.00 for May, June and July it's a steal!

Our free Junior sessions return again now the clocks have gone back, starting on Friday 19th April 6.00pm to 7.00pm this is for members only, however if you are not a member the first two sessions are free

The two sessions free also apply to the adults on Wednesday eve 7.00 start and Sundays at 2.00, come along and give it a go

HELLO EVERYONE!

Yes it's me again! This time last year I was a hub for the humanitarian aid charity "Hope for Ukraine". Lots of you will remember the front verge of No 32 Bishops Road being awash with your generosity for many months but sadly Liz suffered a stroke and Terry had to curtail his hub pickups to care for her.

I'm now acting as liaison between donees and the Humanitarian Aid Charity for Ukraine operating out of Nailsea. They work closely with many groups, MEDICINES and MEDICAL SUPPLIES going as far as Kharkiv and up to the front. Also to Zolochiv, 40 miles east of Lviv where they have trustworthy contacts in the military and hospitals and to a warehouse in Sucaeva NE Romania where it is mainly TOOLS and CLOTHING....where the Ukrainians go across to collect what they need.

The items they so desperately need are prioritized as below:

MEDICAL...catheter bags, stoma bags, dressings, bandages, pads, medicines, protein drinks, mobility aids, zimmers, adult incontinence pads, nappies 60cm x 90cm
BATTERIES AAA - LR03, AA- LR 6, torches, candles, battery or rechargeable handheld lights, solar powered lanterns,

TOOLS, electric and hand....no rust please

CAMPING EQUIPMENT ..plus good condition small roll up inflatable mattresses

KITCHEN UTENSILS, pots and pans etc.

CHILDREN'S CLOTHES...from prem baby to 5 years old.

CLOTHES..thermal underwear men and women

GENERATORS..up to 4kWt, Power Banks...battery capacity from 20,000(mAh)

PORTABLE CHARGING STATIONS ..Bluetti, Ecoflow 1600 W/h

Is there anyone reading this who has contact(s) with Care Homes where so often a resident will go in with their mobility equipment but upon their demise the equipment is lost into a cupboarditems like these are so needed. A care home contact name, email address would be so appreciated. Thank you.

"Woodshedders".....any out there reading this and you have (rust free) TOOLS and any of the equipment shown above. Pick axes also useful.

BUILDING MATERIALS ..tarpaulins 25 sq.mtrs. wood screws and nails (100/150 mm) transparent polyethylene film 120 - 150 microns

If you would like to contact me VIA EMAIL terandlib@yahoo.co.uk advising what you are able to donate from the above list and also give a Contact No I will reply asap.

Thanks so much

Libby

CLEEVE PARISH COUNCIL UPDATE

Council Meetings: Meetings are held in Cleeve Village Hall on the 2nd Tuesday of each month (except August and December when no meetings are held).

Details of meetings, agendas and minutes continue to be published on our website.

You can access our website at www.cleeveparishcouncil.co.uk or via this QR code

Our Chair of the Parish Council is Ronnie Morley. Your other Councillors are Hilary Burn, Marianne Pitman, George Stringer, Geoff Pritchard and Colin Knowles.

We are sorry to report that our Vice Chair, Ben Whistance, has tendered his resignation as he will be moving away from the area.

We wish to thank Ben for all his work on our behalf. He has been the guardian of the defibrillator, he worked out Cleeve's Carbon Footprint and was heavily involved in achieving the speed reduction on Cleeve Hill Road. Also contributed to the improvements at the quarry and its car park and also clearing the former Millennium Garden in readiness for its transformation into a Community Orchard.

With Ben's departure we will have a vacancy for a councillor and official notices will be posted on our noticeboards, website and via Facebook.

Being a Councillor is so much more than sitting around a table discussing planning applications. Being a Councillor means you help represent your village, a place you have chosen to live, a place you want to succeed and a place you want to continue being happy in.

We need some new ideas and fresh faces to take Cleeve forward in the right direction. The Parish Council meets once a month on the 2nd Tuesday from 7.30pm, the meetings are relaxed and welcoming, and most decisions are made during the meeting so there is little for Councillors to follow up on.

Bristol Airport Noise Insulation Grant: The Noise Insulation Grant programme commenced for this year on from 1 April to 1 June (and then again on 1 July, if not all the funding has been allocated). The big difference this year is that grants are being allocated for night noise and do not have to be matched funded by the owner of the dwelling. All dwellings must be within the noise contours. Details available via this link:- <https://www.bristolairport.co.uk/media/hwspfjk1/guidance-2024-noise-mitigation-scheme.pdf>

Police update: Our local PCSOs advise that A number of burglaries are continuing across North Somerset, especially ones where the purpose appears to be to obtain keys to high value vehicles parked on drives. The general advice is ensure outside lights and CCTV are working if you have them, keep your vehicles keys hidden, especially overnight and ensure keyless entry systems are not accidentally activated i.e. keep the keys in a "Faraday pouch".

Facebook and Website

You will find us on Facebook if you search **Cleeve Parish Council** and like our page. We update various issues of local interest, and activities of the Parish Council.

We are also pleased to post a link on our website to view the current "All About Cleeve" each month.

JUNIOR TOURNAMENT CLEEVE TENNIS CLUB

On April 14th Juniors from Congresbury, Wrington and Cleeve contested matches for under 8s, under 12s and over 12s. With 40 juniors playing, it was non-stop tennis! The event was sponsored by The Yeo Lions, and we are thankful for their continued support. The juniors played some great tennis, all played with enthusiasm and enjoyment. We were lucky with the weather so the juniors were watched by a large crowd of parents. This is the 2nd year we've played this interclub tournament. If any children or young people are interested in playing tennis and perhaps taking part in the tournament next year, then please come and visit us at Cleeve tennis. John, our junior coach, offers sessions on a Wednesday after school and on a Saturday morning. For more information please see - clubspark.lta.org.uk/cleeve-tennisclub.

FARMING

For those who will listen, I have spoken about the weather a number of times over the last few months and the impact it is having on the farming calendar. It might seem as though I have been exaggerating saying the continual wet weather is stopping farmers sowing crops but it appears that hasn't been the case. Locally we had limited success sowing arable crops in the autumn and some of these have rotted because they have been stood in water for months on end. We were hoping the area we missed in the autumn sowing window would have been sown with spring arable crops instead. Unfortunately, many of these areas have remained too wet too late and we haven't been able to sow these crops. We now have a choice, leave the land fallow (don't plant a crop), sow grass and use the grass for feeding to livestock or sow maize. The maize can be used for feeding to livestock or for anaerobic digestion for producing energy. Whilst sowing grass and maize for feeding to livestock might seem a reasonable answer there is a limit to how much of either crop we need for our cattle. There is an argument we could grow it this summer and store it for the winter 2025 – 2026 rather than 2024 – 2025 but this is a huge cost tied up. With the unsown land we have we would have over £150,000 in stock for up to eighteen months. It's like buying the all the family food for winter 2025 – 2026 and keeping it in the cupboard. It's not a very practical solution. That's the farmer's side of the story. The other side is the potential impact it will have on the consumer. The media have picked up on the very small area of crops currently sown in the UK and some have suggested 2024 might be the first year since World War II there hasn't been a harvest. Whether that is the case or not remains to be seen but it is a sobering thought. Whatever happens, the Government needs to start taking note of how precarious our food security situation is.

Summer is showtime in the Countryside. Locally we have the North Somerset Show on the first May Bank Holiday followed by the Bath and West at the end of the month and the Mid Somerset in August. Each are a fantastic day out with lots of animals to look at, great attractions, main ring activities and ample opportunity for some retail therapy. Each promotes all that is good about British agriculture, they support the rural economy and provide a social event for many.

BLUES NIGHT AND LOCALLY SOURCED BAR AT CLEEVE VILLAGE HALL SAT APRIL 13TH

Huge thanks to all who came along to support our music night. Singer/guitarist Mike Bess treated us to a roof raising two sets of popular songs. From the likes of Paul Weller, 10cc through to Al Green and Bruce Springsteen, this talented musician can turn his hand to any genre and fulfilled all requests from a delighted audience. With no less than two encores Prince's Purple Rain closed the evening perfectly.

We served complimentary snacks: big thanks to Lye Cross Farm, Redhill for kindly donating their delicious cheese, some of which was used to bake cheese biscuits.

The bar displayed a selection of local drinks, special appreciation to Bakewell's Somerset Distillery Gins for their support.

Our next music event is the welcome return of singer songwriter Martin Stephenson (From The Daintees) on September 8th. He puts on a brilliantly entertaining show, full of humorous stories and songs so we hope to see you then. Tickets are available from wegottickets.com, just search for Cleve Village Hall.

PLANT OF THE MONTH - ROSEMARY

Rosemary, formerly *Rosmarinus officinalis* now reclassified to its scientific name *Salvia rosmarinus*, has nectar-rich flowers that are a magnet for pollinators. It flowers twice per season, first in spring and then again in summer; all the more reason to add this fantastic shrubby perennial herb to your garden.

Rosemary is a low maintenance plant and once established virtually looks after itself. Position in full sun but resist feeding with fertiliser as rosemary thrives in poor, preferably slightly acidic, soil.

Originating from the Mediterranean, rosemary detests being water logged so ensure soil is well-draining and gritty but will happily grow in the ground or in pots. Enjoy stunning varieties such as 'Miss Jessopp's Upright', 'Majorca Pink' or white rosemary *Salvia rosmarinus* f. *albiflorus*. Just keep an eye out for rosemary beetle.

Like most herbs it benefits from being cut back, this rejuvenates plants and prevents them getting woody, keeping stems fresh and young; just be aware that rosemary flowers on second year growth so to have a shrub covered in blooms you will need to avoid hard pruning to get the maximum floral display.

As well as being perfect for pollinators, rosemary is great for the senses. Planted along a path, the scent will waft up as you brush alongside it. Run your hand through the stems to enjoy the aroma and of course it's evergreen leaves taste great in recipes - fresh or dried.

This aromatic herb has many medicinal properties. Rosemary makes a great herbal tea and is famed to improve concentration and memory. Apparently Greek scholars would wear a rosemary garland during their exams. It's poignant scent certainly does pack a punch! It was even tucked under pillows in medieval times to ward off nightmares as well being used as a remedy for toothache and fevers. As a symbol of remembrance, rosemary often featured at weddings and funerals.
