CHAIR'S WELCOME

A sunny and dry start to the summer (how different from last year!) has been good for cricket and tennis players in Cleeve and we have some news from them in this edition of AAC. Over the past month we have had the chance to enjoy the talents of many different artists involved in North Somerset Arts Week and we have celebrated VE day. With that era in mind, AAC has a short article about the founding of Cleeve Women's Institute in 1937 complete with a picture of the event and a chance for long-term residents of Cleeve to spot faces from the past. We also have a call for volunteers to help with work at Goblin Combe Lodge but notice is short - it's on 2 June. As ever, lots going on in Cleeve. Be sure to keep us posted about events and activities that others in Cleeve would like to hear about.

GEORGE STRINGER

After 23 years on Cleeve Parish Council and having reached the age of 80 George Stringer has retired from the Parish Council. He has lived in Cleeve and Yatton since 1968 and first joined Yatton Parish Council in 1970. At the election that year George had exactly the same number of votes as another candidate so the decision was based on the toss of a coin, and George won. He worked for many years for the railways and the Parish Council has benefitted from his interest and enthusiasm for public transport. He has been a constant and committed advocate for the people of Cleeve.

NORTH SOMERSET ARTS WEEK

Holy Trinity Church welcomed 12 exhibitors for North Somerset Arts Week, displaying wonderful talents in all sorts of various media.

Members of Holy Trinity provided refreshments throughout the nine-day event and it was pleasure to meet so many people from the village and surrounding area, marvelling in the skills shown by the exhibitors.

We would like to thank all the refreshment helpers who made 'it all work' and enabled £913.48 to be raised, which is going towards the work to improve the Holy Trinity car park this summer.

GOBLIN COMBE

I hope you saw the bluebell display in the woods around us which was utterly stunning and magical, as ever. Amongst the emerging woodland violets, we've also planted over a hundred hedgerow trees and some baby oaks to replace the majestic one that came down in the storms.

We now have a big task to undertake in renovating the old 'cottage' building at the Lodge site, and we're working away to raise money for this project which will take some time. Meanwhile the inside of the main communal room is in dire need of a refresh and we would love some volunteer help on Monday 2nd June from 10am - 2pm to help strip and repaint walls at Goblin Combe Lodge, Cleeve Hill Road, Cleeve, BS40 5PP

If you can spare some time, do come and help with this. Please wear old clothes and footwear, although we do have some painting overalls to lend if needed. It would be great if you could let me know if you're intending to come, so I can plan the tasks and equipment needed. However, if you're not certain until the day, you'll still be welcome! Tea, coffee, biscuits and chat will be provided as always. And if you can't come on this day (and it's short notice given the AAC publication dates) but would like to be informed of other volunteer days, please let me know: Rosie.Turner@groundwork.org.uk

Winter flowering pansies and spring flowering wallflowers should be replaced with summer flowering bedding plants now. They may still have some blooms but they will quickly look scruffy.

Stake tall plants to give them support.

CLEEVE WOMEN'S INSTITUTE

Cleeve Women's Institute was set up in 1937. February 18th was the formation meeting attended by 50 women. The county secretary attended and gave a talk on the aims and objectives of the WI movement. A committee was elected and my great aunt was appointed secretary. I have the minutes of the meetings between 1937-1939. At the start of every meeting the hymn 'Jerusalem' was sung and the meetings ended with 'God Save the King'.

Below is a sample of the half year programme in 1937 and a photo of the members in Circa 1939/1940. Perhaps some villagers recognise their grandmothers, great Aunts or even Great Grandmothers!

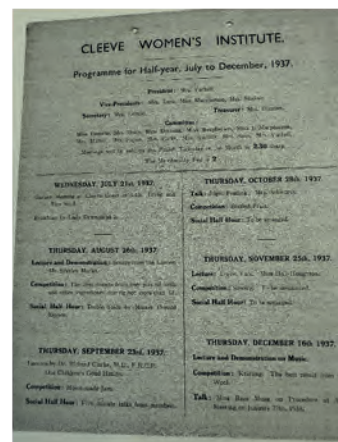

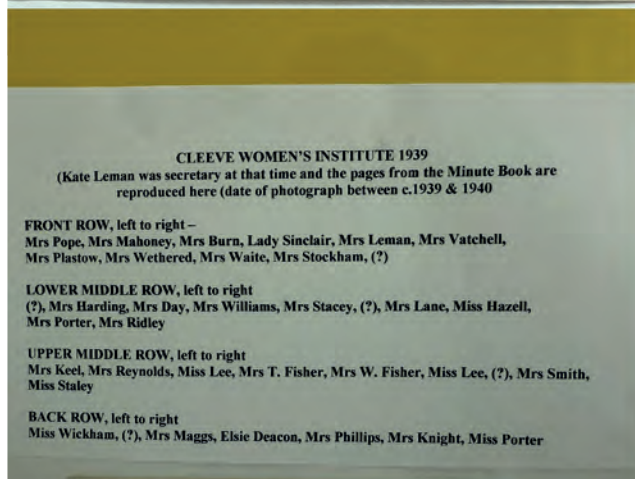

Meetings were to be held in the Village Hall, which had recently been built in the grounds of Cleeve Court. The land had been given by Lord Sinclair.

My aunt, Suzanne Clarke, can remember staying at Bickley with her aunt, Kate Leman, and spending a lot of time making jam and bottling fruit during the war as Bickley was a 'preservation centre' for the WI and therefore received extra sugar.

VE DAY CELEBRATED

The sacrifice made by everyone who fought for our Country together with those who remained at home striving to maintain normality was recognised with a great turnout at the village hall on Sunday 4th May.

A cream tea was served with donations going to the Royal British Legion. The Hall was decorated and iconic music of the 40's was played in the background.

£200 was raised and will be sent to the British Legion who continue their sterling work to support servicemen and women from all conflicts.

COURT DE WYCK CHURCH SCHOOL UPDATE

The new term has started with some fantastic trips taking place across the school. Robin Class had a brilliant time visiting the Community Farm, where they enjoyed getting hands-on with nature and learning more about food and farming. Kingfisher and Kestrel Classes also had a fantastic day out at the Roman Baths, diving into Roman history and enjoying everything the site had to offer.

Owl and Goldfinch Classes headed off to the SS Great Britain to explore life aboard the historic ship. This trip is always a favourite.

A big thank you to all the staff involved in organising these visits, and to our parent helpers for giving up their time to support us. These experiences are so valuable for the children and help bring their learning to life in a way that really stays with them.

CLEEVE TENNIS CLUB

Celebrating our 75th Anniversary was the highlight of our year, with a club tournament continuing over a 2-day weekend, BBQ, celebration cake, strawberries and cream with the whole club and spectators coming along to cheer everyone on.

The A and B teams were both promoted in the winter leagues and we won the annual Goblin Combe Cup against Wrington. We also hosted the Yeo Valley Lions Junior Tournament.

The club organises all sorts of social events, raising money for improvements and for a donation of £2000 to Macmillan Cancer Support. This year we've seen our floodlights replaced with new LED lighting, a court has been replaced, new windbreaks and a new logo design, signage and website have been installed. Thanks to Bristol Airport for a grant to replace the court, National Grid for LED lights, Touts for new Wind Breaks and Cutting Edge Signs for signage.

Ours is a very friendly club offering tennis for people who haven't played in years (maybe since school) right through to experienced players who like to play in the North Somerset League. We also have a qualified coach. Try out our club play sessions and see what you think: Sunday from 6pm for beginners; Sunday from 2pm and Wednesday from 7pm for standard players; Junior sessions Fridays 6-7pm. First two sessions are free. Every other Thursday we have friendly Table Tennis games. If you are interested and want more information please feel free to contact the Club Chairman Phil on 07971444501.

TIPS FROM CLEEVE NURSERY

Regularly remove side shoots from tomato plants [unless you have a bush variety] and gradually increase watering and ventilation as they grow bigger and the days get warmer. Support plants well and gradually remove the lower leaves as they turn brown

Some indoor plants that have outgrown their pots will benefit from being potted on into larger pots this month. Don't be afraid to knock plants out of their pots to take a look at how the roots are doing

Waste Collections and recycling

Changes to recycling and waste collections being introduced this summer by North Somerset Council (NSC)

For most households, black bin collections will switch from fortnightly to three-weekly in June 2025, and a wider range of recycling materials will be collected every week, including plastic bags and soft plastic wrapping.

The changes will make recycling easier and reduce waste, and include:

- a new collection day for most households
- switching to three-weekly black bin collections
- plastic bags and soft plastic wrapping will start being collected.

Red recycling bags have already started being delivered to households for use straightaway alongside their existing recycling boxes, and later this month (April) NSC will be launching the new free North Somerset Council app.

There is a huge amount of information on the NSC website at: www.n-somerset.gov.uk/threeweekly.

There is also a dedicated page just about the new red bags at <https://n-somerset.gov.uk/my.../bins-recycling/new-red-bag>.

If you have a question you can't find an answer for, please send this to the recycling and waste team at waste.strategy@n-somerset.gov.uk.

Bristol Airport Noise complaints: There seems to be an increase in night flights and you are encouraged to register your complaints directly with Bristol Airport.

You can log noise complaints via <https://www.bristolairport.co.uk/contact-and-help/noise-and-environmental-concerns> or alternatively you can write to: Bristol Airport, Noise Complaints, Lulsgate House, Bristol, BS48 3DW. Please provide information including your name, address, date and time of incident, and relevant information.

They will investigate any unusual disturbance from aircraft arriving and departing Bristol Airport or flying in close proximity. All complaints are responded to and statistics are publicly reported to the Airport Consultative Committee and recorded within Bristol Airport's, Annual Monitoring Report.

Facebook and Website : You will find us on Facebook if you search **Cleeve Parish Council** and like our page. We update various issues of local interest, and activities of the Parish Council.

TRINITY SINGERS

On Sunday June 8th Trinity Singers present an afternoon concert featuring two celebrated works by the French composer Gabriel Fauré. The 'Requiem' and 'Cantique de Jean Racine' are among the best-loved works of late Romantic choral repertoire — music that is both grand and intimate at the same moment, all the while showcasing Fauré's exceptional gift for beautiful melody.

The concert, which starts at 3:30 pm at St Andrew's Church, Congresbury, is conducted by Andrew Tyrrell, with organist Claire Alsop.

After the concert, audience members are invited to join the choir for tea and cake!

NAILSEA DISTRICT LEG CLUB

Prevention is better than cure and this very much applies to lower leg issues from ulcers, varicose veins, pain, skin problems to rashes

Nailsea District leg club runs a drop in clinic every Wednesday 9.00-12 noon at the Tithe Barn, BS48 4NG for anyone registered with Tyntesfield Medical Group.

Carole Brooke is only a phone call away to provide more information on 07954 302498.

TIPS FROM CLEEVE NURSERY

Plant outdoor tomatoes, ridge cucumbers, courgettes and marrows. These can all be easily grown in large pots or grow bags on the patio.

Most herbs will benefit from being cut fairly hard now. The young shoot tips are generally the tastiest parts to use in cooking.

There is still time to make a sowing of perpetual spinach leaf beet. This is a really useful vegetable that can be harvested right through the winter

CLEEVE CRICKET CLUB

Cleeve Cricket Club has signed Botswana international cricket captain Karabo Motlhanka as the club's overseas player for the 2025 season. Karabo is an experienced top order batter and bowls off-spin. He has captained Botswana in all but one of his 53 caps. The club hopes that Karabo's experience will be a big help in Cleeve's bid to be promoted to the Bristol & District Premier League and to win success in the season's T20 matches.

Cleeve Cricket Club welcomes new members and is specifically looking for a 1st team scorer. This is a paid position and anyone interested should contact the club via CleeveCC@yahoo.com

Stuart Williams (Club Secretary)

Karabo Motlhanka & Cleeve Club Captain Sam Williams

TIPS FROM CLEEVE NURSERY

Oxygenating weed in ponds may be getting out of hand now so thin it out but always try to leave at least a third of the water surface covered to provide shade and shelter for wildlife.

Plant water lilies and other water plants this month. Make sure that water margin and bog plants are getting enough water and add mulch to help.

Autumn planted winter hardy onions and shallots may be ready to harvest at the end of the month. Let the skins ripen thoroughly in the sun as they store better then.
