CHAIR'S WELCOME

Hope everyone is having a good summer!

Entering the beginning of another new academic year, we are delighted that our local school, Court de Wyck, will update us all on the School's activities in "All About Cleeve".

And from the young to those more 'advanced' in years: Focos reactivates, after its summer break, with its annual Tea on Tuesday 3rd September (details later in this magazine).

UKRAINE DONATIONS

A very big thank you to all of you for the wonderful donations received for Ukraine over the past couple of months.

My contact Andy in Nailsea is so very grateful and tells me that a 40 footer has arrived in Ukraine with much needed supplies.

From here we've sent : pots and pans, heavy casserole dishes, camping equipment, a Generator, various tools, men and women's clothing including thermals, an array of children's clothing, candles, torches, hearing aid batteries, mobility aids including crutches, walking sticks, catheters, sanitary ware, bandages, medicines and a nearly new wheelchair....a double win/win as this is no longer required here as full mobility is just around the corner.

I've had a few promises towards another collection and will be in touch. I'm aware that with everything else going on in the world we do what we can when we can. The items posted in the May edition of AAC are still desperately needed and if you do have something lurking in the garage, a shed or attic or wherever please do contact me : terandlib@yahoo.co.uk and I'll come back to you.

NAILSEA DISTRICT LEG CLUB – INFO FOR SEPTEMBER

The AGM was held on 12 July, when not only did the attendees enjoy the usual cake etc, but were interested to have a short talk from Tara Vignoles on the work of the Tyntesfield Medical Group Wellbeing Team. This service is available to anyone registered with TMG over 18, and the five members of the team are there to work alongside the GPs to support with social, emotional and practical aspects of life. Tara is hoping to visit Leg Club once a month.

Our volunteers are a vital part of Leg Club, it couldn't function without them, and are all very much appreciated – it's amazing what volunteering can achieve for each individual, it's been proved that it is good to give something back in some way. Leg Club is always happy to welcome new volunteers either as chatters/refreshment servers or drivers for our members. If this is of interest, feel free to drop in on any Wednesday morning at Nailsea Tithe Barn between 9.30 – 11.30 a.m. to find out what happens, over a cuppa and a sweet treat. For more information call Carole Brooke on 07954 302498.

LEAVERS' SERVICE AT COURT DE WYCK CHURCH SCHOOL

Members of the Parochial Church Council attended the Leavers' Service at Court de Wyck, as the Year 6 pupils said their goodbyes to the School. The afternoon was both joyful and emotional for children, parents and teachers alike, with the leavers recalling their school highlight and their ambitions for the future. The best fun was showing photographs of the leavers as babies and getting the rest of the school to guess who was who.

Rev John Angle and Headteacher Jo Baker-Brown topped and tailed the service and Rev John presented each leaver with a Good News bible donated by the PCC.

COURT DE WYCK SCHOOL

After an excellent summer break the children return to school on Wednesday 4th September. We were sad to say goodbye in July to our wonderful Year 6, who excelled themselves both in their Year 6 SATs and in their contribution to our school life. We wish them all the best as they start their secondary education. We welcome our newcomers into our Reception Class and into other year groups and are sure they will settle well into our happy supportive school.

We will be holding tours for all parents/ guardians of prospective entries for September 2025 on:

Tuesday 19th September 9.30

Tuesday 24th September 9.30

Wednesday 2nd October 9.30

Thursday 3rd October 5.00

Please contact the school office on 01934 833070 or email enquiries@cdw.bwmat.org to book a place on the tour.

IT'S NOT TOO LATE TO ATTEND THE FOCOS CAKE & TEA AFTERNOON AT BICKLEY ON TUESDAY 3RD SEPTEMBER

There is still time to enjoy a delicious Afternoon Tea event in the lovely surroundings of Bickley on Tuesday 3rd September commencing at 2.30pm.

Come along, soak up the ambiance, savour the delicious cakes and scones, enjoy a hot or cold beverage and catch up with all latest happenings, inside the new marquee at Bickley.

To book your place for this popular event, please ring the FOCOS [Friends Of Cleeve Over Sixties] hotline on either 832917 or 838515 as soon as possible – if our call centre staff are unavailable, please leave a message. Lifts are available – just ask.

Many folks have already booked and so we are looking forward to welcoming as many guests as possible, old and new, to the Bickley Tea Afternoon, now one of the most favourite events in the FOCOS calendar.

ART EXHIBITION

Violet Graham, with her twin sister Cynthia, retired to Congresbury after a life as medical missionaries in Africa. They were both artists, Violet in watercolour and Cynthia in oils. Their paintings were purchased by many residents in the area.

Violet's painting of Congresbury refectory went all over the world, as it was printed as notelets.

The Friends of St Andrew's Church, who raise funds for church repairs, are organising an art exhibition of Violet' Graham's work on the weekend of September 7th/8th, 10am - 5pm at St Andrews Church, Congresbury.

Free entry, donations welcome.

UPDATES TO VILLAGE HALL

There have been some great improvements to our local (and well used) village hall.

Firstly the committee have been engaged in sprucing up the outside with some painting and remedial work. The Solar panels have been cleaned and a new WiFi router installed. Our next addition (shortly) will be two new hand dryers for the ladies and gents toilets, a new oven and a water butt has been installed to assist with watering. We are also exploring the possibility of fencing our garden in to provide a secure space for children and young people using the hall. We are also exploring funding options to finish the car park tarmac and to create some disabled bays.

Also our fabulous entertainment team have another great event coming up in September

Please support this local facility for your event, meeting or celebration

CLEEVE CRICKET - FINAL WEEKS

Former Cleeve Cricketer, local lad and record Gloucester Batter Chris Dent returned to his former home for a recent 20 over game to celebrate his 15 year testimonial.

Teams split between the Cleeve first team against a selection of current Gloucester cricketers provided fine entertainment and a close finish on a warm sunny afternoon.

The season has now entered its final straight culminating in an excellent top half table finish for the newly promoted first team along with the second team who with a fair wind should win their league.

Please come join us on the veranda for some first class cricket

SWEET PEA CUT FLOWERS

TIPS FROM CLEEVE NURSERY

Cut back early flowering herbaceous perennials close to ground level unless they produce attractive seed heads. The seed heads and some dead stems and leaves can look enchanting with winter 'hoar' frost on them.

Put house plants that like humid air -ferns, bromeliad, insectivorous plants, etc. – on a saucer filled with damp pebbles. Begin misting over the leaves of your plants- especially when your central heating comes back on.

Lift and store potatoes. They need a frost free, dark cool place.

CLEEVE TENNIS CLUB

Cleeve Tennis Club celebrated its 75th anniversary the weekend of July 6th/7th with a lot of fun, laughter and of course tennis.

It started on Saturday afternoon with an inhouse timed tournament with 24 members entered there were a lot of matches to be played, the way it worked was four groups of similar abilities were formed and had to play two matches each, every game counted and the two highest scorers of each group went through to the semi-finals and the winners went onto the finals, this way it allowed for all abilities, it was such a great atmosphere with everyone getting involved, eventually Wendy Griggs and Andrew Lucas won the tournament, Congratulations to them.

On the Sunday we started with the Juniors inhouse tournament and despite the weather we had a great turn out , this was organised by the Clubs head coach John Tate who has now been with Cleeve Tennis Club for just over 30 years, he also supplied the trophies to the winners and all the children who participated received a medal, so a big thank you to John and the three LTS level 1 assistant coaches who did the umpiring

We then held our open day and had a load of visitors, playing Pickle Ball as well as Tennis, we now offer both as Pickle ball is such fun especially for younger and older players, there was music, strawberries and cream, ice cream, burgers and hot dogs available, we even had a member bake us and amazing cake which was yummy.

We also held a mammoth raffle with 21 local companies gifting us great prizes, this raised over £600.00 for the club which I believe is a record!

Cleeve Tennis club are always on the look out for new members but at this time we are particularly looking for ladies who would like to play league as we are a little short in this department, if anyone is interested please call Phil Stackhouse 07971444501

SWEET PEAS, LATHYRUS ODORATUS MEANING FRAGRANT PEA

It is hard to resist sweet peas; these whimsical flowers epitomise English summers with their divine colour palette from traditional pastels to vibrant bright hues to their ethereal heady scent but sometimes they can prove difficult to grow.

Former Cleeve resident Roger Harvey is following in his late father's footsteps with a natural flair for growing exceptional sweet peas. Each year he uses the cordon method to grow 'Spencer' blooms with huge flower heads held on very long, poker straight stems which seem to defy gravity.

His father, Leslie Russell Harvey, was a committee member for The National Sweet Pea Society, a flower show judge and won many prizes himself at national shows. He travelled the country giving talks and exhibiting, sharing his knowledge on the art of growing sweet peas; there is even a flower show cup named in his honour: the 'Les Harvey Cup'.

So I asked Roger what are his three top tips for sweet pea success.

1. 'Sow seeds no more than half an inch deep in the autumn, two seeds per pot in sterilised compost consisting of three parts loam, two parts peat-free potting compost and one part either coarse sand or perlite'.
2. 'Immediately the hair-pin like shoots appear through the soil remove to the cold frame'.
3. 'Plant out on the 1st March'.

Come autumn I am sure we will all be reaching for our seed packets and following Roger's advice. There is nothing more satisfying than growing your own.

NORTH SOMERSET RECYCLING CHANGES

Changes are coming to North Somerset recycling and waste collections next year which will:

- help everyone recycle more and waste less
- cut the cost of waste disposal for council taxpayers
- provide additional support to households who are least able to manage their waste.

The changes will be introduced in phases in 2025 and include:

- the introduction of a kerbside collection of soft plastics (such as crisp packets and vegetable packaging)
- switching from a fortnightly to a three-weekly collection of non-recyclable (black bin) rubbish.

A new recycling container will be trialled at some properties over the coming months, and training for collection crews will be refreshed.

Anyone who may struggle with a change to bin collection frequency due to medical needs, children in nappies or a larger household will receive additional support and a slightly different solution could be put in place for that household.

We'll share more information about this support as soon as the details are available. There'll be lots more information about what's going to be changing in the coming months, before any changes are made.

Several other councils have already successfully made the switch to three-weekly non-recyclable rubbish collections including Somerset, East Devon, and Mid-Devon.

Unfortunately, these changes don't mean we can reduce or refund your council tax. Like many councils across the country, we face significant financial challenges that are only getting worse. In the last decade, we've had to make tens of millions of pounds worth of savings and that means we've had to make some very difficult decisions.

As well as improving recycling rates and cutting waste, these changes will help us save an estimated £1.1m a year which will help fund other vital services.

This year, we'll need to spend around £5 million to dispose of black bin rubbish, but almost half of this waste could instead be recycled and generate an income to help pay for vital local services.

The frequency of other recycling and waste collections will stay the same, with weekly collections of food waste and recycling, plus there's also the optional, chargeable regular garden waste service.

Read the full story at [Helping North Somerset to recycle more](#)

TIPS FROM CLEEVE NURSERY

September is the beginning of the traditional autumn planting season and is in fact the best time to plant hardy plants. The soil is moist and warm and plants soon get established now, so get out your spades and get planting!

Lift, divide and replant the youngest bits of herbaceous perennials that have finished flowering. Most perennials benefit from dividing every 2-3 years. Improve soil and water in well to get them re-established.

TIP FROM CLEEVE NURSERY

Get compost containers ready for the autumn clean up. Construct extra or perhaps purchase new ones before the leaves start to fall. Shredders are very useful and can turn most trimmings and modest prunings into useful mulching material. Plant shady borders and areas under large shrubs with small flowered Crocus, Scilla, and English Bluebells.
