CHAIRMAN'S WELCOME

We hope you enjoy this month's edition of "AAC". As you may have noted, I am always trying to ensure that the magazine has a variety of general interest articles and I have appreciated the recent regular contributions made by Debi Holland ("The Plant of the Month"), Stephanie Wooster ("All About Bees"), and Nick Green ("A farmers view"). If you have any ideas for more articles of general interest, do please make contact.

Meanwhile, enjoy the Autumn and its wonderful changing colours.

TIP FROM CLEEVE NURSERY

Lift Dahlia roots and store them in a frost free place for winter. Cut the tops back to about 8-10cm and stand them upside down for a few days to let the excess water drain out of the stems. if you live in a sheltered area or garden near the sea, you may be able to leave the roots in the ground after covering them with a 15cm mulch of compost.

YATTON UNITED CHARITIES

The Trustees of Yatton United Charities are looking for a new clerk to provide them with clerical and administrative support. The charity gives small grants to any resident or non-commercial organisation of Cleeve, Claverham or Yatton who are in need of financial support due to their own limited funds. This post is voluntary apart from an honorarium for expenses i.e. phone, stamps, etc. The Trustees meet twice a year and annual grants are given out in August.

The hours are not many. It may well suit someone who has recently retires and is looking for something to do for the local community.

For further information about the post please contact the charity at yattonunitedcharities@yahoo.com or call Alison on 07855 496779

ALL ABOUT BEES

Harvesting is a sticky business. The bees will store honey in the wax cells that they cap when at the correct consistency with more wax. Once you have taken the laden frames from the hive (minus bees). You can extract by first un-capping the cells on each frame, this brings with it honey and this is done on an uncapping tray to catch and separate wax from honey. Then placing the frames into an extractor machine that uses centrifugal forces to suck out the content. This will remove about 95% of the honey, (the sticky frames are given back to the bees, as they will clean out the drops that are left and put it back into their winter storage). You then need to filter the honey through sieves to remove the bits of wax and pollen that are mixed in over the extraction process. Everything gets covered with the gloopy goodness. All this should be done in an airtight room, with even the keyholes blocked up. If any bees find the honey they will tell all of their sisters and you will be plagued with half the hive that have come to help themselves. I was told that my first honey crop would be the best honey I'd ever tasted and they were true, worth all the stickiness.

**SWINGING RASCALS CONCERT UPDATE
FRIDAY 8TH OCTOBER CLEEVE VILLAGE HALL**

The Entertainment Committee are delighted to remind you that this sold out event is going ahead as planned. Doors open at 7pm and there will be a licensed bar serving a variety of drinks including some special Rat Pack themed Cocktails.

There are some extra measures in place for your safety including reduced capacity and the windows will be open a little so do bring an extra layer to keep warm if needed. We suggest if applicable you may still like to bring a face covering in case you prefer to wear it in busy areas eg the bar and it's always extra great re-assurance if you wanted to do a lateral flow test before and after the event.

Huge thanks and looking forward to welcoming you all back for a really fun evening.

TIP FROM CLEEVE NURSERY

If you are trying to grow lime hating plants and your soil is naturally alkaline [limey], add Sulphate of Iron* to the soil and gently hoe it in now. This will lower the pH of the soil and enable you to grow such beautiful plants as Rhododendrons, Azaleas, Camellias and the summer flowering group of heathers. Don't exceed the recommended dose, it is better to make this an annual routine.

Finish bulb planting now, the sooner they are in the ground, the sooner they will start rooting and the better they will perform next year.

LOVE CLEEVE FESTIVAL

A lovely weekend of family fun, faith and fabulous cream teas!

Firstly, a huge thank you to everyone that worked so hard to make this such a great weekend. Along with the core team of Rev Nigel Thomas, Elizabeth Vaughan, Libby Watts and myself, there was a small army of volunteers making cakes, serving tea, driving electric cars and organising workshops. Too many to name here in fact, but you know who you are - again thank you to you all.

We estimate that over 300 people attended the 19 programmed events across the weekend, from the film night to yoga, walks & talks, children's theatre, live music and community faith events. We have had some great feedback about meeting up with old friends who haven't seen each other face to face for many months, meeting new neighbours who moved in during lockdown and lots & lots of kids enjoying playing with each other in the sunshine. There are lots of photos on the instagram account and facebook page @lovecleevfest.

Alongside the fun, there were some serious messages too; Brother Hugh's challenge to us all about actions rather than words in the fight against climate change, and the launch of Carbon Savvy which helps people measure their carbon footprint as well as offering some significant ways of reducing it.

So what next?! Well, there seems to be an appetite for something similar next year, but in the meantime there were quite a few ideas about how we might get together to do more as a village - could Cleeve go 'plastic-free'? Or a crowdfund for an air quality monitor on Main Rd? There was a call for lower speed limits, and requests for more parent & kids activities in the village hall.

Please get in touch if you would like to help make some of these ideas a reality.

We look forward to seeing you again soon.

COURT DE WYCK CURRY AND QUIZ NIGHT

We'll be holding our biggest and most popular fundraising event at **Claverham Village Hall on Saturday 9 October 2021 at 7.30 pm**

Delicious food supplied by Scoop and Spice in Yatton with meat or vegetarian curry available.

Our quiz teams range from the really keen and competitive to those less competitive and just wanting an enjoyable evening. A maximum of 6 people per team.

The bar will be open and we'll have a raffle and games during the evening too.

Tickets are £12.00 each, including food and are available from Bishops News in Cleeve, Scoop and Spice in Yatton or the school office.

All proceeds go to Court de Wyck School PTA (a registered charity)

FRIENDSHIP LUNCH A PLEA FOR HELP

The monthly Friendship Lunch has been running for over 30 years, providing a meal and convivial company, in the Holy Trinity Church Room, for around 30, mainly, senior citizens, who really appreciate the chance to socialise and enjoy some quality food and fun together.

The food is prepared and provided by a small team of volunteers, who also get the chance interact with their guests.

The Friendship Lunch was curtailed during the pandemic, and as plans were started to recommence, it was clear that a number of the volunteers, including some who have been involved since the Lunches commenced, were finding the continued commitment too difficult.

We now feel the way forward is to initially recommence the Friendship Lunch every other month, but we are still short of help in folks to help those left from the current teams to prepare the food. **Hence this plea!**

Are you willing to come and help us prepare the lunches? It would be a commitment of one day [up until around 3pm] three times a year. You don't have to be a Michelin Star chef – the team prepare good wholesome lunches for our guests.

If you can help, or would like more details, please ring Lin on 838515, or Andrea on 832458. The Friendship Lunch has provides community support to the people of Cleeve for over 30 years and we would like to be able to continue our commitment to the village going forward.

Thank you

All those in the Friendship Lunch Teams

CLEEVE PARISH COUNCIL UPDATE

Council Meetings: We have now returned to face to face meetings which will be held on the 2nd Tuesday of each month (except August and December when no meetings are held). Dates for the rest of 2021 are: October 12th, November 9th.

All meetings will be held in Cleeve Village Hall in accordance with any Covid-19 regulations current at that time.

Details of meetings, agendas and minutes continue to be published on our website.

You can access our website at www.cleeveparishcouncil.co.uk or via this OCR code

CIL (Community Infrastructure Levy) Monies: CIL is a charge on development that came into force in 2010 (and runs in tandem with s.106 contributions). The purpose of the CIL is to fund infrastructure to support local development.

As part of the Lord Nelson re-development Cleeve Parish Council has received a sum of £6,000. CIL monies can be used to support the development of the local area to fund, for example, improvements to village infrastructure, "Infrastructure" includes physical, social and green infrastructure e.g. Highways; cycleways; education facilities; sports and community halls; parks and play areas.

We would like to hear your views and ideas for using this money for the benefit of our community. Please email cleeveparishcouncil@hotmail.co.uk

Goblin Combe: As part of our ongoing review of the car park and quarry area at the entrance to Goblin Combe we are indebted to Cllr Ben Whistance who has restored a previous sign support to hold a new warning sign. Work continues to make improvements to the car park and also to provide new signage to help visitors and also give background to the natural history of the area.

Review of parking restrictions in Cleeve: Following our request for suggestions of amendments to parking restrictions we have made submissions to North Somerset Council and have met with their senior engineer to review options.

The reduced speed limit on Cleeve Hill Road is still to be finally scheduled but we are keeping up pressure for the work to be completed as soon as possible.

Parking in and around Goblin Combe continues to cause issues with increased usage during the various lockdown periods. A number of options are being considered including use of hard core to improve the surface and use of low level posts and fence poles to create a formal “entrance” to the car park improving visibility for cars emerging from the car park. A similar fence could be installed opposite the car park to discourage parking on the verge.

Alongside ongoing review of Cleeve Hill Road/ Goblin Combe parking issues we have also made representations regarding Millier Road.

The specific area in question is the corners of Millier Road and Woodview Drive by the dentists and the installation of double yellow lines is being proposed. We are grateful to Debs Lister for the information she has provided and to District Councillor Steve Hogg for adding his support.

20's Plenty North Somerset: At our July Parish Council meeting we welcomed Cresten Boase who gave us a presentation on this campaign.

20's Plenty North Somerset is a community led campaign to reduce the speed limit to 20mph across all of North Somerset to create a safer environment for walking and cycling and a greener, cleaner, healthier community.

20's Plenty North Somerset is a local campaign which began in 2021. The campaign is a branch of the nationwide 20's Plenty for Us organisation <https://www.20splenty.org/> which has over 500 groups across the UK.

Anyone in the Parish who is interested in road safety and lowering speed limits through Cleeve is invited to log on to the website to join Cleeve as a campaign group, or to contact Cresten Boase, Coordinator '20's Plenty for Us North Somerset' northsomerset@20splentyforus.org.uk or email me, Andy Warren, at cleeveparishcouncil@hotmail.co.uk

Bristol Airport: Bristol Airport Public Inquiry, is due to open at 10am, on Tuesday, 20th July 2021 at Weston-super-Mare Town Hall. If you wish you will be able to follow proceedings on You Tube via the Appeal website <https://gateleyhamer-pi.com/en-gb/bristol-airport>

The Queen's Green Canopy: *The Queen's Green Canopy* (QGC) is a unique tree planting initiative created to mark Her Majesty's Platinum Jubilee in 2022 which invites people from across the United Kingdom to “**Plant a Tree for the Jubilee.**” We are planning for Cleeve to be involved by planting a new tree on Pound Green.

Flag Pole: It has been suggested that we acquire a flag pole for Cleeve to celebrate various occasions possibly to be placed at the Bishop's Road end of Pound Green and with a few planters around to make more of a feature.

We would welcome your thoughts/views on this.

Dog Poo!!: Although most dog owners act responsibly there are still examples of instances of dog poo not always being picked up. Whilst this is, of course, anti-social it also is worth reminding dog owners that North Somerset Council have published local Public Space Protection Orders (PSPOs).

The orders state that if you are in charge of a dog you must as a minimum:

- keep your dog(s) under close control at all times
- carry a poo bag
- bag it and bin it – please don't leave bags hanging in trees or bushes
- keep your dog(s) out of children's play areas.

Keep Cleeve Tidy: Our Village Orderly, Caroline, does a great job in keeping the village litter free (although this is often an uphill task!). We would be interested to hear if there are any areas of the village which you feel need any special attention at any time. Also if you have any ideas to brighten up the village then please let us know by emailing me on cleeveparishcouncil@hotmail.co.uk or on 07932 191964.

Facebook and Website: You will find us on Facebook if you search **Cleeve Parish Council** and like our page. We update various issues of local interest, and activities of the Parish Council.

We are also pleased that we will be posting a link on our website to view the current "All About Cleeve" each month.

CLEEVE TENNIS CLUB

As we leave summer behind, please do not forget that tennis is an all year round sport. We are fortunate at Cleeve Tennis Club that we have floodlights and there are no limits on playing times, so members can play well into the autumn and winter evenings.

We offer a variety of inclusivememberships suitable for single as well as family memberships - for people of all ages new to tennis or just looking to get back in the swing!

For further information please contact Phil on 07971 44450 or Wendy on 01934 834143 or see our website Cleeveltc.co.uk or see our Facebook page or email cleevetennisclub@gmail.com

Many thanks

Jayne Weare

Club Chair

With the onset of autumn it is a good time not only to get jobs completed around the house (as suggested in the last edition) but also jobs around the village. You can help by ensuring that the village is prepared for the winter months by reporting any of the following defects to the parish clerk or the local authority

These include potholes, blocked drains, defective Street lamps, empty grit bins or anything else that comes to your attention whilst moving around the village

Getting these problems looked at now will ensure we are best placed to deal with anything the coming months may bring

Stay safe, stay connected and look out for family, friends and neighbours. They'd appreciate your call.

THE TANNERY BAR, CLAVERHAM VILLAGE HALL

The Tannery Bar at Claverham Village Hall is open for business and wholly staffed by volunteers and is open 7 days a week, 7 pm to 11 pm. On Sundays we are also open from 12 pm to 3 pm.

We are not a members club! We are open to all and run lots of events throughout the year. In addition to a fully equipped bar, we also have a pool table and skittle alley for hire. As we are run by volunteers we are able to keep our costs and prices low! Come on down and enjoy;

Pints from £3.00 | Corona from £2.00 | Gin & Tonic from £2.50 | Bottle of Wine from £10.50 | Bottle of Prosecco from £12 | Crisps from 60p | Soft drinks from £1.00

EVENTS We are getting more events in the diary all the time! Come on down on the last Saturday of the month from 7 pm for our monthly Quiz and a Village Skittles League is re-starting on Saturday nights in October. Register your team of 6 from your road or street in Claverham or Cleeve before the end of September to enter the league. League games will be played on Saturday nights through the winter with 2 matches each Saturday.

We also have live music booked for the 6th November and 3rd December. This year we are also bringing back the much anticipated Claverham New Year's Eve Party! More details coming soon, follow us on Facebook for more details.

VOLUNTEER Volunteering is an amazing way to meet people from the local community and is essential in helping us keep our prices so low. If you are interested please contact us on Facebook or message Kay at kay.dowling@claverhamvillagehall.co.uk

The Tannery Bar, at Claverham Village Hall is wholly run and staffed by volunteers from the community. Claverham Village Enterprises (CVE) is the Limited Company (run by volunteers) established and owned by Claverham Village Hall to operate the Tannery Bar. Each year we host events for the village and donate our profits directly back to the Village Hall. Since 2016, Claverham Village Enterprises has donated over £93,000 back to the Village Hall in addition to paying rent and other operational charge contributions.

We are always looking for people to help volunteer to keep us open. If you can volunteer one evening a month it makes a huge difference to help the bar. We run full bar training and you will be given a 'Bar Buddy' to help you get confident on your first few shifts.

SUPPORT THE BAR AND KEEP UP TO DATE Come down for a drink - 7 days a week 7 pm to 11 pm or volunteer once a month to run the bar for a night. Follow us on Facebook for the latest news, events and opening hours @TheTanneryBar. Come down on the first Tuesday of the month at 7.30 pm to join our Events Committee for a drink, and chat to share ideas for events for the village.

PLANT OF THE MONTH OCTOBER 2021 - DAHLIA

From pompon to dinner plates, dahlia make fabulous cut flowers and provide drama in the garden.

Grown by the Aztecs for its edible tuber these Mexican sun lovers can become large and tall so require space and staking whereas dwarf bush varieties make marvelous choices for pots. Enrich soil with organic matter and add grit for drainage in heavy clay. Feed with seaweed or high potash to fuel flower growth.

Many dahlia are not popular with pollinators, their complicated flower heads stop insects getting to the nectar and pollen but there are a huge variety of single flower dahlia, which get pollinators flocking. Try growing 'Bishop's Children' from seed. They flower and produce a tuber in their first year as well as copious colourful single pollinator-friendly blooms.

Earwigs can plague dahlia so pop a pot of straw upside down on a bamboo cane near your plants and the earwigs will seek sanctuary there rather than your blooms.

Dead heading. New buds and spent buds look similar, so what do you snip off? Pointed buds are spent whilst round heads are new blooms.

Dahlia will continue flowering until first frosts if deadheaded.

YATTON MUSIC SOCIETY

iSax Saxophone Quartet at St Mary's, Yatton, 23rd October, 2021

Yatton Music Society's autumn concert season continues with an evening of musical excellence from the iSax saxophone quartet, a local and much appreciated group led by David James. Their performances cover a wide section of music and their repertoire ranges from Bach to Beatles, Gabrielli to Gershwin, Shearing to Shostakovich. iSax has entertained the Society on previous occasions and we will be assured of a delightful evening of musical harmony.

The concert starts at 7.30pm at St Mary's Church, on the penultimate Saturday in October, tickets price £10, half price for children and students.

Details of the iSax and future society concerts can be found on the YMS website www.yms.org.uk.

ENGLISH CHANNEL SWIM FOR THE CHILDREN'S AIR AMBULANCE

After a year of training our youngest daughter set out to swim the English Channel early yesterday morning with two medical colleagues and two others raising money for the Children's Air Ambulance. 14 hours and 50 minutes after leaving Dover and swimming a relay taking it in turns to swim hour slots they reached France. They would be grateful of any donations big or small to help raise funds for a fantastic cause. Whilst the two Children's Air Ambulances are centrally based and cover the whole of England, Chloe and her medical colleagues regularly use them to transport very sick children around the South West of England and Wales so see first hand the benefit of being able to move children quickly. Often, it can be a life saver. If you would like to support Chloe and her team you can donate to her JustGiving page by clicking here: https://www.justgiving.com/fundraising/chloegreenchannelswim?utm_source=Sharethis&utm_medium=fundraising&utm_content=chloegreenchannelswim&utm_campaign=pfp-email&utm_term=a8ee7a33873946029d3ab2764de898a0. It would be great if you were able to contribute.

Thanks and best wishes, Nick Green

FESTIVAL CREAM TEA

As Part of the 'Love Cleeve' Festival, a cream tea was held at Bickley in glorious weather on Sunday afternoon with over 50 attending. A big thank you to Lin, Andrea and their team and all the other various helpers who made this afternoon a very special occasion. Also a big thank you to Vicky of Clarke Catering for providing such delicious scones and helping to organise the supply of their accompaniments.

Many people have since commented it was lovely to be at last socialising and out and about meeting up with old friends, some of whom had not seen each other since before the First Lockdown and one commented "just nice to be normal again".

Sadly the "Bee lady" had sprained her ankle and was unable to attend. She is keen to rearrange and is hoping to find a date and venue in the near future.

TIP FROM CLEEVE NURSERY

Remove any 'mummified' fruits from apples and plum trees. These will have been infected with 'Brown Rot' and the spores on these dried up fruits, often stuck together in clusters, could infect next year's crop if left on the tree or the ground underneath.
