HER MAJESTY QUEEN ELIZABETH II

APRIL 21, 1926 - SEPTEMBER 8, 2022

Closing COPY DATE: 15th OCTOBER (for NOVEMBER 2022 issue.)

CHAIRMAN'S WELCOME

What a memorable month September has been for constitutional comings and goings - the end of an era with the sad death of our Queen Elizabeth II, with King Charles III now on the throne; as well as a departing and an incoming prime minister.

How poignant that we celebrated the Queen's Platinum Jubilee only three months ago with many of you kindly contributing accounts of the various events during the Queen's reign in our June magazine. The Jubilee truly showed the Queen how well respected and loved she was by so many.

Despite all this change, we are still facing high energy bills and the war in Ukraine continues. We are so very grateful for all the communal activities that take place in Cleeve every month which help to take our minds off the worrying events in the outside world.

Elizabeth (Acting Chairman)

KING GEORGE V PLAYING FIELD

Please follow us on Facebook - King George V Playing Field, Cleeve.

Thank you to everyone who has supported Cricket Club through a very successful summer season of cricket.

The Trustees would like to assure everyone that during the winter months October to March, despite the YACU FC committee deciding that they will no longer play football here or use the clubhouse, we will keep the Sinclair Pavilion open.

From October, we are supporting "Healthy Fit Lifestyle with Chelsea Heal" to introduce personal training and keep fit activities. We would also like to offering regular coffee mornings and more. We do however need your support and as they say, 'use it or lose it'. Can you help? The Sinclair Pavilion is available to hire especially at weekends for family parties, christenings, milestone birthdays, corporate events, etc. Just ask and please contact Alice on 01934 877208 to check the diary. Also, the pitches and changing rooms are available for discussion.

The Pavilion and bar will be open for skittle match fixtures on Monday, Wednesday and Thursday evenings. Everyone is welcome to come over especially for social Friday nights from 7-10.30pm.

Quiz nights hosted by Don Veale in the last 12-months have raised over £1500. Scheduled every 3-weeks, do pop the dates 7th and 28th October on your calendar. The theme for the 7th October will include a 'Royal' round in memory of the late Queen Elizabeth II with the money raised, going towards planting a tree or two in her memory within the field. To take part, entry is £2 per person with a raffle. See you there!

Good news! The defibrillator has been purchased thanks to the money raised at the quiz nights and with support from the cricket and tennis clubs. Look out for it in the next few weeks as it will be installed on the front of the Pavilion.

CLEEVE PARISH COUNCIL UPDATE

Council Meetings: Meetings are held in Cleeve Village Hall on the 2nd Tuesday of each month (except August and December when no meetings are held).

Details of meetings, agendas and minutes continue to be published on our website.

You can access our website at www.cleeveparishcouncil.co.uk

Our Chair of the Parish Council is Ronnie Morley with Ben Whistance being our Vice Chair.

Your other Councillors are Hilary Burn, Marianne Pitman, George Stringer and Geoff Pritchard.

Traffic Strategy for Cleeve: At our Annual Parish meeting it was agreed that a village wide survey would be taken to gauge residents' concerns on traffic issues and how these may be addressed.

The poster is titled "CLEEVE PARISH COUNCIL TRAFFIC SURVEY" in green. It features a central graphic of a winding road with a car and trees. Text boxes include: "HAVE YOUR SAY!" with a cyclist icon; "WE NEED TO KNOW YOUR THOUGHTS ABOUT TRAFFIC IN CLEEVE HELP US BY FILLING IN THE SURVEY"; "link to online survey https://uwe.eu.qualtrics.com/jfe/form/SV_6KUCLn8Lz8eIYbk"; "CONTACT" with email "cleeveparishcouncil@hotmail.co.uk" and phone "07932191964"; and a QR code. A pink box at the bottom left says "FOR ANY INFO OR A PAPER COPY OF SURVEY PLEASE CONTACT PARISH CLERK".

This is now available online via the following link :-

https://uwe.eu.qualtrics.com/jfe/form/SV_6KUCLn8Lz8eIYbk

Paper copies will also be available.

Parking on Pavements: There is a frustrating trend for parking on pavements.

PLEASE DO NOT PARK ON PAVEMENTS

It is not necessary and encourages others to do so. It also causes an obstruction to pedestrians, those with prams/pushchairs and those with mobility aids.

Please also request that any contractors you use do not park on the pavement.

Speed Limit reduction on Cleeve Hill Road: We are delighted to report that the work has now been completed to install the 30 mph limit on Cleeve Hill Road.

Air Quality Monitoring: In liaison with North Somerset Council we are undertaking Air Quality Monitoring particularly on the A370 in the area around the Tout's development. We therefore have a reference point ahead of the site being opening and this will continue now that the site is operational.

Can't afford to buy a sim card or mobile data? You can now access them for free thanks to a new scheme available through North Somerset Libraries.

The UK National Databank provides free sims and mobile data (as well as talk minutes and texts) to people in need through the Good Things Foundation's network of local community partners, including North Somerset libraries. It's like a food bank but for internet connectivity data.

The scheme offers a vital connection for anyone cut off from the basic daily activities most people take for granted such as contacting loved ones, accessing job interviews, finding essential health or other information online, and digitised public services.

Anyone over 18 from a low-income household who qualifies in at least one of the following ways can obtain data vouchers from their local library:

- 1 Has no access or insufficient access to the internet at home, and/or
- 2 Has no or insufficient access to the internet when away from home, and/or
- 3 Can't afford their existing monthly contract or top-up.

If you need a SIM card or mobile data voucher, contact your local library to make an appointment to collect it.

Dog Poo!! Although most dog owners act responsibly there are still examples of instances of dog poo not always being picked up. Whilst this is, of course, anti-social it also is worth reminding dog owners that North Somerset Council have published local Public Space Protection Orders (PSPOs).

The orders state that if you are in charge of a dog you must as a minimum:

- keep your dog(s) under close control at all times
- carry a poo bag
- bag it and bin it – please don't leave bags hanging in trees or bushes
- keep your dog(s) out of children's play areas.

So how can we all do our bit to help turn things around?

Help is at hand – in the form of a new free app called at <https://poopersnooper.app/get-started>

Pooper Snooper lets you highlight the problem of dog fouling wherever you are and puts dog fouling on the map! The app also allows you to record and find the location of bins so that it's easier than ever to find where to dispose of your doggy deposits.

Communities can use this to highlight and monitor problematic areas and it is hoped that the data will better enable authorities to act, for example, by providing extra and/or better placed bins or by enabling the efforts of over-stretched dog wardens to be better targeted.

Keep Cleeve Tidy: Our Village Orderly, Caroline, does a great job in keeping the village litter free (although this is often an uphill task!). We would be interested to hear if there are any areas of the village which you feel need any special attention at any time.

Also if you have any ideas to brighten up the village then please let us know by emailing me on cleveparishcouncil@hotmail.co.uk or on 07932 191964.

Facebook and Website: You will find us on Facebook if you search Cleeve Parish Council and like our page. We update various issues of local interest, and activities of the Parish Council.

We are also pleased to post a link on our website to view the current "All About Cleeve" each month.

HUGE SUCCESS AT CLEEVE VILLAGE HALL!

Who would have thought 5 years ago that we would be seeing, for the 3rd time, the now world famous Amy Wadge?

It all started by my simple question to her Mum and Dad who live in the village: Do you think Amy would consider performing in our village hall? Their response was "WHY NOT ASK HER"?!

Amy said 'yes' immediately and generously offered to make no charge providing funds generated went to support the 'Parkinson's' Charity and the Cleeve Village Hall. At the time I was determined to make various improvement to the hall and, with her kind help (and other fund raising activities), we have been able to make major improvements to the hall and its facilities.

Amy's approach to entertaining the packed hall was to give the audience a mixture of humorous stories about her personal life and her absolute determination to succeed as a singer/songwriter. Her singing included some of her best known (and also less well known) numbers, finishing with her version of "Spaceman".

The evening was particularly poignant as her parents were present for both evenings.

These events don't happen without a lot of work behind the scenes and special thanks go to Stephanie Wooster, Anita Joyce, Theresa Scott, and Jehan Shaw who had the unenviable task of managing delay after delay caused by the pandemic.

Note for future events

In view of the large demand for some of our events you may wish to join our priority mailing list. Just email 'cleevevillagehall@gmail.com' asking to be added or message the hall on Facebook. You will then receive advance notice of forthcoming events.

TIP FROM CLEEVE NURSERY

Transplant evergreen shrubs. Dig them with a generous ball of soil to protect the roots and minimise disturbance. Some large roots may have to be cut but retain as many fibrous roots as possible. These roots are the important ones to get your plant re-established. Don't be afraid to remove some leaves and reduce the top growth, it will help to get your plant going again. Add plenty of organic matter to the planting hole, water them in thoroughly and continue to water until established. Mulch the roots and shield the tops from drying winds.

IN MEMORIAM

THE SCARECROW TRAIL

PLANT OF THE MONTH - ASTER

No autumn garden should be without an aster or two. These star-like perennials provide a mass of vibrant colour when summer has gone to seed. Asters are named after the Greek word for star and symbolise faith, wisdom, colour and love.

Originally called Michaelmas daisies, this is another plant which has undergone a rebranding. Enjoy Botanists's tongue twisters such as *Symphotrichum novi-belgii*, formerly *Aster novi-belgii*, *Symphotrichum novae-angliae* formerly *Aster novae-angliae*, New England Aster.

Asters are ideal for busy people as they require little attention other than occasionally staking. You can sit back and reap the benefits of these impressive low maintenance pet-friendly blooms and bask in a border brimming with autumn colour but not the rustic copper hues of fallen leaves, instead a fabulous spectrum of mauve, white, pinks and purples.

Drought tolerant, largely mildew resistant and on the whole pest and disease free, Asters make excellent cut flowers and have a long vase life. In the garden they love free-draining soil and sunny spots but are fine with light shade. Hardy to minus 18 and reaching heights of one to two metres these clump forming perennials are tough! After three or four years divide in spring to retain vigour.

Popular varieties are *Symphotrichum* Little Carlow the lavender-blue; yellow centred flowers span 25mm per head, whereas *Symphotrichum ericoides* Blue Star and white Cinderella have tiny 12mm flowers. Another great plant is *Eurybia xherveyi*, formerly *Aster macrophyllus* Twilight of *Aster herveyi*.

If you need ground cover try *Eurybia divaricata*, White Wood aster, which lights up shady areas. *Aster xfrickartii* 'Mönch' and *A. amellus* Sonora King George and Grunder, Italian asters are immensely popular but if you need a petit aster for a container then try dwarf *A. alpinus*.

Asters are pollen and nectar rich and so expect to see them covered in bees stocking up for winter.
