CHAIR'S WELCOME

All the Committee wish everyone in Cleeve a Very Happy Christmas!

We take this opportunity to thank all those who go out in all weathers delivering AAC's magazine to your doorstep, especially in these Winter months. Thanks to Pete, our printer, who is always so helpful and accommodating. Lastly, I would like to thank the AAC Committee members, especially to Hilary (Editor) and Pauline (Graphics Editor) who put each edition of AAC together. All of us are volunteers, who put in many hours in over the year to making AAC a viable and, hopefully and more essentially, an interesting and communicative locally focussed magazine.

By the time you read this, I will have retired from being Chair and will have welcomed a new Chair at our AGM in readiness for our next edition in February. I will, nonetheless, continue as Treasurer.

As always, local articles of interest are sought and I would make my last but usual plea: if you know of anyone who might be approached to put an advert in the magazine, please with my Treasurer hat on, let me know! We need more adverts: your Village needs them!!

A reminder that we do not go to print in January but we will be back in February 2025!

*Elizabeth Vaughan
Chair*

The AGM of The Cleeve Village Hall management committee is on Monday 9th December at 7-30pm in the Village hall. Members of the public are welcome

Thank you

THANK YOU

The outpouring of love to the people of Ukraine landed at No 32 Bishop Road on Thursday evening from our generous Villagers and those folk nearby.

Andy was clearly thrilled and had to return on Saturday to collect all the Tools and extra bags that didn't quite make the Thursday evening collection.....his car was filled to the gunnels.

The last 40 footer went to Kryvyi in central Ukraine near the front line....between Kherson and Dnipro.

As well as the Warm Bedding and Clothing extra items needed as follows:-

CANDLES.....even bits of candles which they melt down to make "trench" candles..... unfragranced please.....as perfume may cause headaches and give away a trench position.

NAILSEA DISTRICT LEG CLUB

December is here, half way through the winter, though it seems to have been going on for months! However there's always a warm welcome at Leg Club on Wednesday mornings at Nailsea Tithe Barn 9.00 – 11.30, where the drop-in clinic is open to anyone registered with Tyntesfield Medical Group who has lower leg issues – plus excellent refreshments. Closer to Christmas there will be some appropriate entertainment to enhance the normal convivial mornings.

IMPORTANT – PLEASE NOTE – two bank holidays fall on a Wednesday over the Christmas and New Year period, 26 December (Boxing Day) and 1 January 2025 (New Year's Day). There will be NO LEG CLUB on those days. For anyone requiring regular treatment, it is important to make an appointment with your surgery well before Christmas.

Finally a very Merry Christmas to everyone.

TIPS FROM CLEEVE NURSERY

Provide clean water for birds especially in frosty weather.

Feed the birds regularly so that when a cold snap comes they know where to get food easily.

Feed birds such as Blue, Great, Marsh and Long-tail tits with high-energy feeds such as fat balls and suet treats.

Feed robins, blackbirds, thrushes, wrens and tits with freeze dried mealworms.

Lots of vegetable plants can be sown in January e.g. turnips, lettuce, stump rooted carrots, early cabbage, cauliflower and spinach in trays on the windowsill. These could be planted out later in the month.

Raspberry canes and rhubarb can still be planted in January.

PATRONAL FESTIVAL AND FAMILY SERVICE SUNDAY 8TH DECEMBER 5.30

A special service to celebrate our Patron Saint

Mulled cider and warmed Christmas nibbles after the service.

Start the festive season celebrating the life and work of St Nicholas, our patron Saint, followed by choral singing, a short story, mulled cider and warm nibbles

TIP FROM CLEEVE NURSERY

Don't break the ice on your pond. If frozen, leave it to thaw naturally. Smashing ice can give a big shock to fish and if there are plants in the water, oxygen levels will be adequate until it thaws naturally anyway.

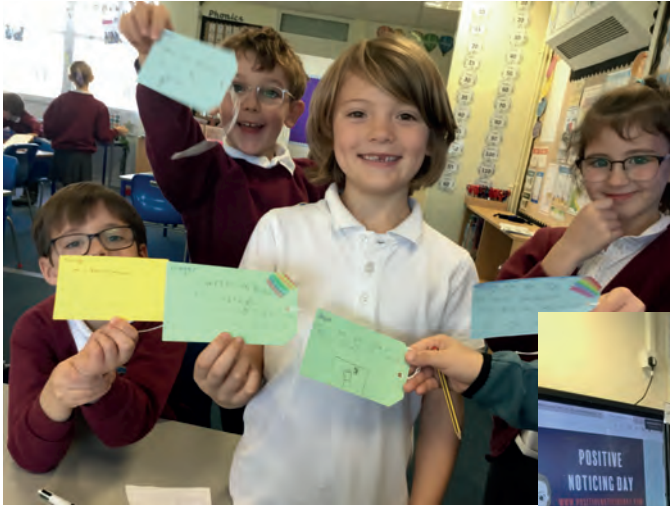

COURT DE WYCK

The children at Court de Wyck have been celebrating Positive Noticing Day and noticing all the unique things about each other. They all went home with a label written by a class mate, and feeling very special! See photos

As we near the end of term, the children are busy getting ready for Christmas, our reception class Robins, have really settled into School life, it was such fun to see them "Running as fast as you can" from clue to clue to rescue the Gingerbread Man from being eaten! Kingfisher Class have been investigating the Mayan Creation story in history and Year 5s are enjoying taking part in the Mini Police programme run by two local PCSOs Rachel and Caroline.

The whole school are looking forward to their trip by coach to Holy Trinity Church for their annual Christmas service. Equally members of Cleeve and Claverham congregation are excited to be visiting Court de Wyck for 'Christmas in a Box!' All the classes are working on their various Christmas productions and of course everyone can't wait for the Pantomime Trip.

COURT DE WYCK

**SWEET BOX,
*SARCOCOCCA CONFUSA***

PLANT OF THE MONTH - SWEET BOX, *SARCOCOCCA CONFUSA*

Winter can sometimes feel like the garden is hibernating but there are plenty of sweetly-scented flowering shrubs to brighten up cold days which thrive over the bleakest months and sweet box, *Sarcococca confusa*, is one of them.

The name, *Sarcococca confusa*, comes from the Greek words 'sarkos,' which means flesh and 'kokkos,' which means berry.

This fabulous leafy evergreen shrub requires little maintenance and is a big hit with early emerging pollinators. Dark, glossy green leaves are lined by dainty white flowers that look like little fireworks followed by black berries that birds adore. These sparkler-like stems eventually grow to around 1.5m tall and wide making this shrub a great filler for borders.

It can grow in most soil types, tolerates dry shade and is a tough hardy shrub which makes it particularly useful to plant where other shrubs cannot cope with challenging conditions like shady wooded areas.

The main draw for sweet box is the exquisitely scented blooms. Inhale as passing and you will be rewarded with a divine strong scent that will put a smile on your face on even the coldest of days making sweet box a 'must have' for all year round interest in the garden.

CLEEVE PARISH COUNCIL

Merry Christmas to all

We would like to take the opportunity to wish everyone a very Merry Christmas and Happy New Year for 2025.

Council Meetings

Meetings are held in Cleeve Village Hall on the 2nd Tuesday of each month (except August and December when no meetings are held).

Details of meetings, agendas and minutes continue to be published on our website.

You can access our website at www.cleeveparishcouncil.co.uk or via this QR code

Our Chair of the Parish Council is Ronnie Morley your other Councillors being Colin Knowles (Vice Chair), Hilary Burn, Marianne Pitman, George Stringer, Geoff Pritchard and Debs Lister.

Parking Issues and Drainage

We are aware of ongoing issues with parking which have been discussed at recent Parish Council meetings.

We have some clarification from our local PCSO as follows:-

“Often people are unhappy that people have parked outside their property but, if parked legally and not causing an obstruction, there is nothing to stop anyone parking there. Airport parkers is an issue we see all around the area and often, but not always, if parked illegally we can do something about it. We need to be told so we are aware, but I haven’t seen that many reports coming through to us.”

“You can report these to us via our website at:

www.avonandsomerset.police.uk/roads

If you have any video footage of the incident you can upload it as well.

” Yellow lines are dealt with by Civil Parking Enforcement at NSC. Yellow lines were decriminalised a number of years ago.”

We remain in touch with the PCSO, NSC Enforcement Officers and Bristol Airport in order to consider next steps.

Cleeve Community Orchard

The next phase in creation of our Community Orchard will take place on Sunday 5 January 2025 and all are invited – see notice below.

If you are interested in helping or would like more information, please email Cllr Hilary Burn on hilaryburncpc@outlook.com

Bristol Airport

It is expected that Bristol Airport will be publishing sometime in December a new Master Plan outlining further growth beyond 12 million passengers per annum. There will be a chance to submit comments on the Plan as the duration of the consultation will be eight weeks. Further details will be on our website once published.

Facebook and Website

You will find us on Facebook if you search **Cleeve Parish Council** and like our page. We update various issues of local interest, and activities of the Parish Council.

We are also pleased to post a link on our website to view the current "All About Cleeve" each month.

JANUARY TIPS FROM CLEEVE NURSERY

Trees that have lost their leaves can be pruned now. Cut out dead, diseased and damaged wood. Thin out over crowded areas but avoid removing too much in one year. It's better to spread heavy pruning over several years and limit the amount of wood you remove at any one time to no more than a third of the total. Birch trees may bleed badly if pruned too late.

Check that climbers are securely tied to their supports and check that old ties are not constricting older thicker stems. It's a good time to take a look at tree ties and loosen them a bit so that they are not beginning to garrotte swelling trunks. Prevent them slipping down both the tree and the stake by nailing the tie to the stake.
