CHAIR'S WELCOME

A warm (in every sense) welcome to the July Edition of All About Cleeve. I hope that everyone is enjoying the current weather, albeit some of us are probably thinking we could do with a bit of rain for our gardens.

June has already seen plenty of activities in the Village, with more to come later in the month. As always, a big thank you to all the volunteers that contribute to making these events so successful.

Most of us will have seen the significant improvements to the Goblin Combe Quarry car park, a big thank you to the Parish Council for arranging for this (as well as to Bristol Airport's Community Fund); looks better and much safer!

Lastly, as we do not go to print in August, there are a few dates for your diaries in September in this edition.

NAILSEA DISTRICT LEG CLUB

The Coronation of the King and Queen was celebrated in early May, when Leg Club was in party mode with plenty of red, white and blue, appropriate refreshments, photos and a tombola. As this happened after 'the Day', there was much discussion about the actual event, and memories recalled of the late Queen's coronation!

On a wonderfully sunny market Saturday in May the now famous handbag stall was set up outside Waitrose, where there was plenty of people and lots of interest. Over £250 was raised for much needed funds to help Leg Club continue each Wednesday morning at Nailsea Tithe Barn.

All lower leg issues whatever they are can be very debilitating, physically and mentally lowering. At the Leg Club café/clinic there is support for everyone who wishes to discuss their particular problem. The café is drop-in and anyone can call in on a Wednesday morning. If you're registered with Tyntesfield Medical Group and would like medical advice PLEASE call your surgery to make an appointment or talk with your nurse. Look out for more information on the notice boards in the surgery waiting rooms too. Wednesday mornings at the Tithe Barn provide so much more than treatment and there is a warm welcome and refreshments on offer.

CLEEVE & CLAVERHAM MOTHERS' UNION TODDLERS' PICNIC

Cleeve and Claverham MU would like to invite babies and toddlers, under school ages, together with their parents/grandparents/carers to come and join us for a picnic in the lawned area at Cleeve Village Hall on Wednesday 12th July at 12 noon.

If you would like to join us for a lovely lunch and fun time, please contact Lin Mortimer on 01934 838515, not later than Wednesday 5th July, to advise her of the number of adults and children requiring food [please leave a message if there is no answer on the phone].

The cost of the lunch for adults is £3. Children are free. Please also advise if any vegetarian meals are required and of any food allergies, so that we can cater for everyone attending.

There is ample parking at Cleeve Village Hall.

If the weather looks inclement, the picnic will still go ahead, but we will move inside the Village Hall.

We look forward to seeing you there.

TIP FROM CLEEVE NURSERY

Some perennials such as Lady's Mantle [*Alchemilla mollis*] can be too successful and may seed themselves everywhere. To limit their spread, remove the flowers as soon as they fade so that seeds cannot form.

CLEEVE PARISH COUNCIL UPDATE

Council Meetings: Meetings are held in Cleeve Village Hall on the 2nd Tuesday of each month (except August and December when no meetings are held).

Details of meetings, agendas and minutes continue to be published on our website.

Our Chair of the Parish Council is Ronnie Morley with Ben Whistance being our Vice Chair.

Your other Councillors are Hilary Burn, Marianne Pitman, George Stringer, Geoff Pritchard and Colin Knowles.

Goblin Combe Car Park: We are delighted to report that, with assistance from the Bristol Airport Community Fund, work is now completed to create a designated entrance/exit to the car park to increase the visibility of vehicles using the car park, installation of posts to protect verges and installing a bicycle rack.

It is hoped that this will help discourage inconsiderate parking and improve access for cyclists.

Car Crime: Our local PCSO reports that “We are seeing an increase in vehicle breaks over the 4 beat areas we cover. We have been pushing general vehicle crime prevention advice and we have a dedicated crime prevention website:

<https://www.aspolicestaysafe.co.uk> that has lots of useful advice.”

In particular the following is a useful reminder:-

Lock doors, windows, the boot and sunroof every time you leave your car, even for short periods

Don't leave bags, coats or change on display. The cost of replacing a broken window is often far more than the value of the goods stolen. If you can, take your things with you. If you can't, lock everything out of sight in the boot.

Never leave driving documents or personal letters inside your car. They could help a thief to sell your car or provide a cover story if stopped by the police.

Don't leave satnavs on display when you're not in your car.

Never set your address in your satnav for your start or return journeys, use an area near to your home you know – if your keys are stolen a criminal may use your satnav setting to direct them to your home.

Keep valuables out of sight while you're driving and consider locking the doors locked.

Take the ignition key out even when the car is parked in your drive or garage and always set the immobiliser. If you don't have an immobiliser, consider having one fitted.

Always keep your car keys in a safe place at home, away from windows and doors and preferably in a locked cupboard or cabinet.

Leaving your glovebox open when you're not with the car will show there is nothing of value in it.

Register all valuable items such as mobile phone and satnavs at www.imobilise.com

Facebook and Website: You will find us on Facebook if you search Cleeve Parish Council and like our page. We update various issues of local interest, and activities of the Parish Council.

A FEW CRIME PREVENTION REMINDERS IN THE NICE WEATHER

Firstly:

An Opportunist burglar has been operating in Wick St Lawrence-Not very far from us so.....even if you are home...

Beware of leaving doors and windows open unless you can see them and do not have valuables on display. It's easy to wander out into the garden leaving front doors open for that opportunistic thief to enter or to reach in through a window

Police and Crime Commissioner says stop, hang up and call 159

PCC Mark Shelford is urging anyone who receives a call or message from somebody claiming to be from a trusted organisation and who suggests money should be transferred to hang up and dial 159.

159 is a short-code phone service that connects people safely to their bank's fraud prevention service.

The phone service should be used when an individual receives an unexpected or suspicious call about a financial matter, allowing them to report financial scams as the fraud is potentially taking place.

Banks that currently implement 159 include Barclays, Co-operative, First Direct, HSBC, Lloyds (including Halifax and Bank of Scotland), Metro Bank, Nationwide Building Society, Natwest, Santander, Starling Bank and TSB.

When calling 159, you'll be taken through an option menu in which each bank that has signed up to the service is read.

Customers are then able to use their telephone keypad to be put through to their bank so they can speak to their bank about their concerns and protect their money.

When to call 159

- Someone contacts you claiming to be from your bank, even if they do not seem suspicious
- You are contacted by someone claiming to be an authority figure – such as the police – and told to transfer money, even if the request seems genuine
- You receive a call about a financial matter and it appears suspicious.

PCC Mark Shelford said: "159 is a safe route to contacting your bank if you have suspicions and concerns about your account.

"To be totally safe, dial 159 on another phone or after a period of time to ensure that sophisticated scammers are not staying on the line and imitating a dialling tone so you think you're calling your bank.

"No one from 159 will ever call you and only a fraudster will object to you calling 159."

PLANT OF THE MONTH

Cosmos, *Cosmos bipinnatus*

Summer signals bustling borders teeming with floral delights and it doesn't get more flower-packed than cosmos. These half-hardy annuals make great gap fillers with fern-like foliage that becomes covered in brightly coloured blooms for months.

The name Cosmos is derived from the Greek word 'Kosmos' meaning beautiful which they certainly live up to.

These Mexican natives require little maintenance apart from deadheading to keep them repeat flowering and will provide colour until October. They are easily grown from seed, and once seedlings set out to froth with foliage then simply pinch out the tips to encourage bushier plants.

Cosmos prefer full sun and soil with good drainage but can tolerate poor soil and dry conditions - handy for hot UK summers. There is no need to apply fertilisers to borders, just let nature run its course naturally but you might want to add a bit of liquid seaweed to containers. Cosmos can grow tall to around 120cm so give plants a helping hand and protect against flopping by staking with plant supports.

Exquisite single varieties include 'Apricot Lemonade', 'Purity', 'Dazzler', 'Rubenza' and 'Sensation'. All are a huge hit with pollinators from butterflies to bees as they are loaded with nectar and pollen; they also make great cut flowers.

If you fancy something a little different then try tubular-petalled 'Seashells', 'Double Cream Rose Bonbon'; or 'Picotee' cosmos where delicate pink petal tips edge pure white flowers. *Cosmos bipinnatus* 'Sonata Carmine' is compact making it ideal for containers or tender perennial *Cosmos atrosanguineus* 'Chocolate' boasts rich velvet petals that even smell of chocolate!

TIP FROM CLEEVE NURSERY

Check susceptible varieties of plants for vine weevil damage. Half circle notches out of the edges of leaves are common at this time of year and are caused by the adult insects. Likely plants to show symptoms are Viburnums, Heucheras, Euonymus, Bergenias, Camellias, Rhododendrons and Fuchsias.
