## CHAIR'S WELCOME

Wishing everyone a good summer with hopefully warmer weather on the way!

The Focos outing to Exmouth last month was a huge success, enjoyed by all that went, although the boat trip looks a tad breezy.

July is a quiet month for Village activities apart from the big annual highlight for our young families - The Toddler Picnic, on Wednesday 17 July in the Village Hall (details later in this magazine).

## CHRIST CHURCH NAILSEA SUMMER FAIR 20 JULY 10.00-12.30

Do come along to our very popular Summer Fair held in our lovely Rectory Garden, with a variety of stalls, children's activities, candy floss, cakes, refreshments and much more. Free entry. Everyone welcome (in the Vestry Hall if wet!)

*John Broughton*

## CLEVEDON FOODBANK

It was good to be able to drop a cheque for £405 into the Clevedon Foodbank; they are very appreciative of all that we donate from Holy Trinity and St Barnabas, both in cash and in the donations that Helen Bailey kindly takes down to Clevedon at regular intervals.

There is still enormous pressure on the Foodbank for help, and it is good that we do as much as we can to help this very local charity at this time.

**SINGER SONGWRITER MARTIN STEPHENSON  
CLEEVE VILLAGE HALL - SEPTEMBER 8TH**

A regular to the Hall, this promises to be another excellent evening of live music. Martin Stephenson, frontman to The Daintees, are one of Newcastle's Kitchenware Records finest bands to launch in the 80s, releasing albums such as Boat To Bolivia and Salutation Road and still very active today both recording and playing live. Martin's solo shows are wonderful things, featuring songs old and new, stories both sad and hilarious and finger picking guitar of the very highest standard. The poet and the comedian in perfect synergy: an evening out that will gladden the heart. Be great to see you there and the time of going to press tickets still available at <https://www.wegotickets.com/event/608102>

*Anita Joyce*

## NEED A LIFT? CAN OFFER A LIFT?

Yatton Volunteer Drivers are a voluntary group in Yatton providing an affordable means of transport to enable local people (including Cleeve residents) to attend medical appointments in North Somerset and Bristol.

Could you help? More volunteer drivers are needed. The role is voluntary, highly flexible (to suit availability), and covers mileage costs. Is this worthwhile cause something you could get involved with?

For a lift – or to enquire about volunteering - Tel 01934 832796

Email [yattonvolunteerdrivers@gmail.com](mailto:yattonvolunteerdrivers@gmail.com) Yatton

If a driver is not available from Yatton Volunteer Drivers, try Congresbury Carers - Margaret Leimdorfer Phone: 01934 834663.

## COMMUNITY RESILIENCE

Blocked drains, potholes, damaged pavements, street lights out, overgrown paths, fly tipping or...

You can easily report them to North Somerset on line, drop an email to the Parish Council or contact one of the Community Resilience team and we'll endeavour to get it sorted

Stay safe and enjoy your summer

*Steve, Sally and Ross*

PS Here is an example of fly tipping in Meeting House Lane recently (reported)

## TIPS FROM CLEEVE NURSERY

Cut the lawn edges regularly and this might be a good time to use an edging iron to straighten them out. The insertion of a plastic or metal edging strip will support the edges. If floppy plants make cutting close to the borders difficult, it could be worth laying a line of decorative paving for them to lie on.

Dead flowers, and a little bit of the stem below, should be trimmed off Lavenders now. If they have become straggly a harder pruning should be delayed until late spring.

**PLANT OF THE MONTH - JULY 2024  
CHIVES**

Chives, *Allium schoenoprasum*, are bulb-forming herbaceous perennials commonly found in herb gardens. Not only are the long green hollow stems edible and delicious thinly chopped in salads but their flowers are too with a mild onion-garlic flavour making a tasty, pretty addition to dishes as well as being a good source of vitamins and minerals and boasting many health benefits from aiding digestion to reducing inflammation.

Their pungent scent draws attention from pollinators and us but not everyone is impressed with the aroma. Most insects are repelled by the smell of chives making them a good companion plant in a kitchen garden so plant clumps around your more precious vulnerable fruit and veg like carrots and tomatoes to protect against aphid invasions; even rabbits are not fans!

Chives like well-drained soil and sunshine and are easy to grow from seed. Why not drift plant chives through herbaceous borders or plant up some pots; these mini alliums are long-flowering, low-maintenance and a great asset to the garden. Once clumps get overcrowded they can be easily dug up, divided and shared with friends.

**Winning numbers for the FOCOS lottery**

4th May	10	Julian Bailey
25th May	13	Keith Wild
1st June	9	Gill Roe

Congratulation to our winners. It is great to see that Keith is still winning! Also, and completely by chance, it is good that the FOCOS Chairman is the first winner in our new Lottery year. Many people have confirmed their lottery tickets for 2024/5 and we hope that everyone else will rejoin, as the lottery underpins all our other fund raising.

**NAILSEA DISTRICT LEG CLUB**

The handbag sale held in May raised over £450.00 for our funds. Thank you to all who donated bags, helped to sort, run the stall, and came to buy.

Funds are much needed to keep the Leg Club going, as certain expenses have to be met such as costs towards the use of the Tithe Barn, where the drop-in clinic runs every Wednesday 9.30 – 11.30 a.m. The NHS nurses are there to give treatment or advice to anyone registered with Tyntesfield Medical Group, who has concerns no matter how trivial, about lower leg issues. The 'café' is run by volunteers, who provide refreshments and chat.

Leg Club will have been running for nine years in July and it would be great to welcome more volunteers to help. If you have computer skills, or are happy to chat, or provide transport for those who have none, please consider joining us on these busy, convivial Wednesday mornings. Carole Brooke is always on hand to give more information on 07954 302498.

*Judith Brown*

**TIP FROM CLEEVE NURSERY**

Turn your compost heap over and water it thoroughly if it appears dry. The decomposition process can be accelerated by mixing in some compost activator as you do it. Cover the top with an old carpet to keep in the heat generated by all the useful micro-organisms that will be breaking your garden prunings down to form good garden compost to dig in the borders in autumn.

## **CLEEVE & CLAVERHAM MOTHERS' UNION TODDLERS' PICNIC**

Cleeve and Claverham MU would like to invite babies and toddlers who are, under school age, together with their parents/grandparents/carers to come and join us for a picnic in the lawned area at Cleeve Village Hall on Wednesday 17th July at 12 noon.

If you would like to join us for a lovely lunch and fun time, please contact Lin Mortimer on 01934 838515, not later than Wednesday 12th July, to advise her of the number of adults and children requiring food [please leave a message if there is no answer on the phone].

The cost of the lunch for adults is £3. Children are free. Please also advise if any vegetarian meals are required and of any food allergies, so that we can cater for everyone attending.

There is ample parking at Cleeve Village Hall.

If the weather looks inclement, the picnic will still go ahead, but we will move inside the Village Hall.

We look forward to seeing you there.

## **FOCOS CAKE & TEA AFTERNOON AT BICKLEY ON TUESDAY 3RD SEPTEMBER**

### **An invitation to all**

There will be a delicious Afternoon Tea event in the lovely surroundings of Bickley on Tuesday 3rd September commencing at 2.30pm.

Come along, soak up the ambiance, savour the delicious cakes and scones, enjoy a hot or cold beverage and catch up with all latest happenings, inside the new marquee at Bickley.

To book your place for this popular event, please ring the FOCOS [Friends Of Cleeve Over Sixties] hotline on either 832917 or 838515 – if our call centre staff are unavailable, please leave a message. Lifts are available – just ask.

We look forward to welcoming as many guests as possible, old and new, to the Bickley Tea Afternoon, now one of the most favourite events in the FOCOS calendar.

*Dave Mortimer*

## **TIPS FROM CLEEVE NURSERY**

Fill spaces in the veg patch by sowing quick maturing items such as turnips or, better still, varieties that will provide tasty winter salads like American Land Cress, corn salad [lamb's lettuce], rocket, and radicchio. These are not hard to grow and will provide tasty nutritious homegrown salads in the middle of winter

Dig up your potatoes, dry and store undamaged tubers in a dark frost-free place for winter. Late maincrop and winter salad potatoes will need a little longer in the ground and may put on a lot of tuber growth in the next few weeks. First early and most second earlies will be ready to lift now.

## NIGEL'S AFTERNOON TEA

Around 40 people enjoyed an afternoon tea in Nigel's company on Saturday 1<sup>st</sup> June at Cleeve Village Hall. In addition, they were treated to an outdoor afternoon of smooth jazz from Michael Loader and his band. Nigel was looking trim and in good spirits as he thanked everyone for coming along to wish him and Nickie well as they go forward into the future.

## CLEEVE PARISH COUNCIL UPDATE

**Council Meetings:** Meetings are held in Cleeve Village Hall on the 2nd Tuesday of each month (except August and December when no meetings are held).

Details of meetings, agendas and minutes continue to be published on our website.

You can access our website at [www.cleeveparishcouncil.co.uk](http://www.cleeveparishcouncil.co.uk) or via this QR code

Our Chair of the Parish Council is Ronnie Morley, your other Councillors being Colin Knowles (Vice Chair), Hilary Burn, Marianne Pitman, George Stringer, Geoff Pritchard and Debs Lister.

Following Ben Whistance's resignation we are pleased to welcome back Debs Lister as a Councillor.

**Potholes and damage to Highways:** There is, understandably, ongoing concern with potholes and the condition of roads in the Parish. Bishops Road, in particular, needs attention. We are pleased to report that some "patching" work has now been completed. NSC have advised that more work has been provisionally allocated for the 2025/26 financial year and we will continue to monitor this. It is always helpful if residents submit reports of any issues via [www.n-somerset.gov.uk](http://www.n-somerset.gov.uk)

**Cleeve Community Orchard:** Work continues with the creation of our Community Orchard (Formerly the Millennium Garden). Two new picnic benches have been installed (which are wheelchair friendly) and we hope that residents will come and use this space.

The cost of these benches has been covered with part of the Community Infrastructure Levy (CIL) monies received following the completion of the Tout's Development. Planting of various orchard trees is now planned for the autumn.

**Dog Mess:** Whilst the majority of dog owners are responsible in cleaning up after their dogs we are still experiencing issues around the village. This has included King George V Playing Fields which is obviously a serious hazard for children and also participants in sporting activities.

Please **always** clear up after your dog.

**District Councillor:** Since his election as our District Councillor last November, Tom Daw has been working hard on our behalf providing a liaison between the Parish Council and North Somerset Council.

If you have any issues you would like Tom to raise, he can be contacted on 07377 401879 or via email [Thomas.Daw@n-somerset.gov.uk](mailto:Thomas.Daw@n-somerset.gov.uk)

**Facebook and Website:** You will find us on Facebook if you search **Cleeve Parish Council** and like our page. We update various issues of local interest, and activities of the Parish Council.

We are also pleased to post a link on our website to view the current "All About Cleeve" each month.

*Andy Warren*

*Mark Jones*

## TIPS FROM CLEEVE NURSERY

Regular hoeing between plants in borders and in the vegetable patch will keep weeds under control and also reduce drying out of the soil.

Keep the green house well watered, don't forget to damp down the floor on hot days.

Move sun loving plants outside on warm days but avoid scorching the leaves with strong sunshine.

Check your fruit trees for the weight of crop they have. If there is a heavy fruit set then it is wise to thin the fruit out now. Thin apples and pears to just two fruits per cluster and, if your plums have a heavy 'set', a drastic removal of excess fruits is needed to prevent small fruit and branch breakage later.

Don't be in too much of a hurry to tidy up **every** part of the garden. Wildlife will thrive in the odd corner that has a heap of logs, a few nettles and a pile of dead leaves.

Check the water level in ponds and water features regularly. A lot of water can be lost through evaporation.

It is time to sow Winter Flowering Pansies, Primrose and Polyanthus. All are best sown in seed compost in seed trays. Cover the pansies with ¼" of compost but cover the others with cling film and put them in the refrigerator for 2-3 weeks before bringing them out into a cool place to germinate. All these plants germinate best if kept cool

## A GLIMPSE OF THE PAST

In March 1888 a fourteen year lease was offered on the first Lord Nelson Inn by John Hill the owner whose family had been on the site from before 1788.

It listed Bar, Bar Parlour, Smoking and Sitting Rooms, large Club Room, kitchen, two large cellars, eleven bedrooms and all available offices.

Outside there were a pleasure garden with a summer house, large kitchen garden with stabling for 14 horses, coach house with loft, covered carriage yard, coalhouse, piggeries and pens.

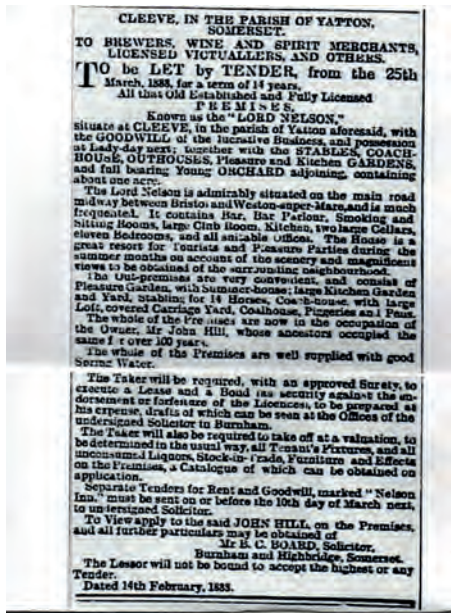

Besides boasting a good spring water supply it was considered " a great resort for tourists and pleasure parties in in the summer months on account of the scenery and magnificent views!"

Until the coming of the railway to Yatton in 1840s or so it had been the post house that is where post was delivered by the post coaches for the district hence the unexpected extent of the premises

The photo shows it in 1909 with well established trees across the road where Pound Green is now with somewhat younger trees.

The other photo is from the early thirties showing the open field opposite, the beginning of works for the new Lord Nelson and gives an idea of the scenery described above.

## FOCOS OUTING

A full coach enjoyed a grand day out with the FOCOS Mystery Tour. A cloudy, but fine and warm, day enabled everyone to view the lovely countryside of Devon and Somerset as we made our way to King's Garden Centre in Exmouth where we all salivated over a delicious lunch before we headed down to the quay and all aboard the Pride of Exmouth for a magical cruise along the Jurassic Coastline. An on-board Cream Tea, delivered by the shipshape, all male, crew was another treat for everyone as they took in the commentary outlining the build-up of the Jurassic coastline all those millions of years ago. There was still time for other treats [Derek Shelton and his ice cream, were spotted, for one] before we returned to the coach at Exmouth for a pleasant ride home.
