## CHAIRMAN'S WELCOME

Welcome to the November edition of "AllAboutCleeve". This month I have a plea to all of you. The cost of producing your magazine is now exceeding the income from advertising. We need more advertisers urgently to ensure that we can continue to produce "AllAboutCleeve" in future years. Have you recently used a local contractor who might benefit from advertising?. If so, please provide me with the details and I will follow it up.Or, please ask them yourself. It's not expensive and has helped many local companies to grow their business.

We plan to distribute a "free of charge" 2022 "Cleeve Wildlife Calendar" at the end of November thanks to generous support from Cleeve businesses and Cleeve residents. Additional copies @ £3.00 each will be available from myself and local shops. Last year the calendar raised over £300.00 which helped cover the cost of producing this magazine. Do take advantage of this offer for friends and family.

We hope you enjoy this edition and continue to follow the Corona Virus guidelines in everything you do. The current trends are worrying.

*Andrew Grogono  
Chairman AAC*

## PIANO CONCERT BY JOSS WORT AT ST MARY'S YATTON, 4TH DEC, 2021

Joss Wort is a home grown Yatton protégé who had never shown interest in playing a musical instrument until he became a student at Backwell Secondary School seven years ago. He made his performing debut after three years at a school concert playing Debussy's Clair de Lune, and within five years had gained a distinction in grade eight piano.

Following gaining his grade 8, he has been taught by Helen Reid, a former BBC Young Musician of the Year keyboard finalist, and has taken part in masterclasses with Malcolm Young and Shelley Prior. Last Year he was fortunate to play and study segments of Liszt's demanding Mephisto Waltz with Stephen Hough in London.

Through his studies, Joss has developed a love for the works of Schubert, Liszt, Rachmaninoff, and especially Beethoven. For our concert, he will include music by these composers and Bach.

This Autumn Joss has commenced his studies at the Royal Welsh School of Music and Drama at Cardiff where he hopes to augment his piano studies with forays into conducting. There is no doubt he will complete his studies with distinction and look forward to a rewarding musical career.

The concert starts at 7.30pm at St Mary's Church, tickets price £10, half price for students over 16, children free.

Details of this concert and future events can be found on the society's website [www.yms.org.uk](http://www.yms.org.uk) or contact David Ford [daford220@gmail.com](mailto:daford220@gmail.com), tel, 01934 830255.

## FOCOS – AFTERNOON TEA AND PANTO

Nearly 60 folks enjoyed a lovely FOCOS afternoon tea in the Village Hall. It was a great get-together for so many who hadn't seen friends for such a long time because of the pandemic.

The sandwiches, scones and cake were greatly enjoyed, but the afternoon was really about catching up with friends, having fun, and looking forward to the prospects of future FOCOS events in 2022. It was also the opportunity to wish Margaret and Paul Burrell good wishes on their 64th wedding anniversary.

Whilst there will not be a new Panto for 2021, there will be a brilliant FOCOS entertainment in the Village Hall in January – full details will appear in the December AAC.

## CLEEVE PARISH COUNCIL UPDATE

**Council Meetings:** We have now returned to face to face meetings which will be held on the 2nd Tuesday of each month (except August and December when no meetings are held).

Our final meeting of 2021 will be held on Tuesday 9 November.

All meetings will be held in Cleeve Village Hall in accordance with any Covid-19 regulations current at that time.

Details of meetings, agendas and minutes continue to be published on our website.

You can access our website at [www.cleeveparishcouncil.co.uk](http://www.cleeveparishcouncil.co.uk)

**CIL (Community Infrastructure Levy) Monies:** The Community Infrastructure Levy (CIL) is a new way of collecting financial contributions from developments towards the provision of infrastructure required to support growth in North Somerset. It has been in place since January 2018 and North Somerset Council CIL charges are based on a tariff of rates that have been set through public consultation and examination by the Planning Inspectorate.

Town and Parish Councils in North Somerset will receive a proportion of the CIL funds collected from developments in their Town or Parish.

In Cleeve we have received a payment relating to the re-development of the former Lord Nelson site.

The CIL Regulations state that a Town/Parish Council must use CIL receipts passed to it in accordance with Regulation 59A or 59B to support the development of the local council's area, or any part of that area, by funding:

- (a) the provision, improvement, replacement, operation or maintenance of infrastructure; or
- (b) anything else that is concerned with addressing the demands that development places on an area.

Cleeve Parish Council are consulting the community on any ideas they may have for projects. The ideas must be

- a) For the benefit of the community.
- b) No major infrastructure projects.
- c) Projects up to a value of £5,000.

We will also publish this request on our Facebook page and be available to discuss at parish "surgeries" when these re-commence. We will also review any issues which may arise once the new development is operational in Spring 2022.

Please submit your ideas by 31st December 2021 by email to [cleeveparishcouncil@hotmail.co.uk](mailto:cleeveparishcouncil@hotmail.co.uk) or in writing to the following address. The Parish Council will give an update on selected projects in due course.

**Goblin Combe:** Work continues to make improvements to the car park and also to provide new signage to help visitors and provide background to the natural history of the area.

Parking in and around Goblin Combe continues to cause issues with increased usage during the various lockdown periods. A number of options are being considered including use of hard core to improve the surface and use of low level posts and fence poles to create a formal “entrance” to the car park improving visibility for cars emerging from the car park. A similar fence could be installed opposite the car park to discourage parking on the verge.

**Review of parking/speed restrictions in Cleeve:** Following our request for suggestions of amendments to parking restrictions we have made submissions to North Somerset Council and have met with their senior engineer to review options.

We are very disappointed that the reduced speed limit on Cleeve Hill Road is still to be finally scheduled but we are keeping up pressure for the work to be completed as soon as possible. Our District Councillor, Steve Hogg, is actively involved in fighting for this on our behalf.

Alongside ongoing review of Cleeve Hill Road/ Goblin Combe parking issues we have also made representations regarding Millier Road.

The specific area in question is the corners of Millier Road and Woodview Drive by the dentists and the installation of double yellow lines is being proposed. We are grateful to Debs Lister for the information she has provided and to District Councillor Steve Hogg for adding his support.

There have also been issues with contractors for the Lord Nelson site development parking in Millier Road and this has been taken up on our behalf by our PCSO Julie.

**20's Plenty North Somerset:** At our July Parish Council meeting we welcomed Cresten Boase who gave us a presentation on this campaign.

20's Plenty North Somerset is a community led campaign to reduce the speed limit to 20mph across all of North Somerset to create a safer environment for walking and cycling and a greener, cleaner, healthier community.

20's Plenty North Somerset is a local campaign which began in 2021. The campaign is a branch of the nationwide 20's Plenty for Us organisation <https://www.20splenty.org/> which has over 500 groups across the UK.

Anyone in the Parish who is interested in road safety and lowering speed limits through Cleeve is invited to log on to the website to join Cleeve as a campaign group, or to contact Cresten Boase, Coordinator '20's Plenty for Us North Somerset'

[northsomerset@20splentyforus.org.uk](mailto:northsomerset@20splentyforus.org.uk)

or email me, Andy Warren, at [cleeveparishcouncil@hotmail.co.uk](mailto:cleeveparishcouncil@hotmail.co.uk)

**Bristol Airport:** Bristol Airport Public Inquiry started on Tuesday, 20th July 2021 at Weston-super-Mare Town Hall. No formal date for announcement of the decision has been set but you can follow proceedings on You Tube via the Appeal website <https://gateleyhamer-pi.com/en-gb/bristol-airport>

**The Queen's Green Canopy:** *The Queen's Green Canopy* (QGC) is a unique tree planting initiative created to mark Her Majesty's Platinum Jubilee in 2022 which invites people from across the United Kingdom to "Plant a Tree for the Jubilee." We are planning for Cleeve to be involved by planting a new tree on Pound Green.

We are currently seeking advice on a suitable tree species to be planted.

**Pound Green:** Following on from the movement to reduce mowing we are going to experiment with leaving part of Pound Green as a wild flower area. This will evolve over time but we would welcome any ideas you may have.

It is also going to be necessary for a cherry tree to be removed as this has succumbed to honey fungus.

Finally, as you may be aware, we still have a BT payphone on Pound Green and this has recently had a number of broken panes of glass replaced.

**Flag Pole:** It has been suggested that we acquire a flag pole for Cleeve to celebrate various occasions possibly to be placed at the Bishop's Road end of Pound Green and with a few planters around to make more of a feature.

We would welcome your thoughts/views on this.

**Dog Poo!!** Although most dog owners act responsibly there are still examples of instances of dog poo not always being picked up. Whilst this is, of course, anti-social it also is worth reminding dog owners that North Somerset Council have published local Public Space Protection Orders (PSPOs).

The orders state that if you are in charge of a dog you must as a minimum: keep your dog(s) under close control at all times - carry a poo bag - bag it and bin it – please don't leave bags hanging in trees or bushes - keep your dog(s) out of children's play areas.

**Keep Cleeve Tidy:** Our Village Orderly, Caroline, does a great job in keeping the village litter free (although this is often an uphill task!). We would be interested to hear if there are any areas of the village which you feel need any special attention at any time. Also if you have any ideas to brighten up the village then please let us know by emailing me on [cleeveparishcouncil@hotmail.co.uk](mailto:cleeveparishcouncil@hotmail.co.uk) or on 07932 191964.

## REMEMBRANCE SUNDAY

As every year, there is a Remembrance Sunday Service held by Holy Trinity Church in Cleeve. This year the Service is on Sunday 14th November, commencing at 10.45am by the War Memorial.

We have crosses, each one remembering a fallen serviceman from the two World Wars, and a wreath supplied by The Royal British Legion, with the church collection going to support the work of the Royal British Legion.

However in 2021 things will again be different for the RBL, because of the Coronavirus pandemic. Rob Lewis, Chairman of the Yatton branch of the Royal British Legion, advises that will probably be no door to door collections in Cleeve this year, although a collection box will hopefully be in Cleeve Stores.

So it may be that anyone who wishes to donate to the RBL this year, might find it difficult to locate a collector. If so, you would be very welcome to join the Remembrance Sunday Service at Holy Trinity.

Alternatively, you can leave a donation for the Royal British Legion in a clearly marked envelope with either Rev Nigel Thomas at The Vicarage, 1 Millier Road or with me at 40 Cleeve Drive, and we will add all the donations to the sum collected at Holy Trinity Church and pass it on to the Yatton Branch of the RBL.

If writing a cheque, please make it payable to Cleeve & Claverham PCC, and I can then send just one overall cheque to the Royal British Legion.

Thank you

## VAST - VILLAGES ALLIANCE FOR SUSTAINABLE TRANSPORT

Residents in Churchill and Langford, Sandford and Winscombe have formed a new group, the Villages Alliance for Sustainable Transport, VAST, to campaign for a better deal for villagers in North Somerset on transport and traffic management.

VAST invites residents and transport groups in the other North Somerset villages to join them in working with North Somerset Council to get action on 2 key issues, the urgent need to reduce traffic and transport emissions in line with North Somerset's climate emergency targets, and urgently improving transport and traffic management in the villages.

VAST is calling on North Somerset Council to:

- develop a Transport Strategy and Transport Action Plan aligned with its Climate Emergency Net Zero Carbon target of 2030 effective for the whole of the county including the villages, to include a shift to public transport.

- prioritise the decarbonisation of transport throughout North Somerset, assessing all transport decisions including procurement decisions for their carbon cost, with an annual reduction target towards 2030, and six-month review and reports on progress,

- urgently review all major infrastructure projects including the Banwell Bypass, taking into account their carbon cost of construction and operation and their individual impact on North Somerset's carbon budget and Net Zero target of 2030.

Contact VAST by email at [VAST@winscombeandsandford.org.uk](mailto:VAST@winscombeandsandford.org.uk)

## PLANT OF THE MONTH NOVEMBER 2021 - TULIP BULBS

Tulips might not be the first plant you think of in November but it is the perfect time of year to plant tulip bulbs. The cooler weather helps prevent the spread of *Botrytis tulipae* the fungus that causes Tulip Fire Disease. Spores can survive in the soil in warmer months, ruining future blooms with distorted leaves and brown spots.

Tulips thrive in full sun or part shade and are ideal for pots and borders. Try planting your bulbs in layers in a container, alongside other spring bulbs like narcissus and crocus; known as lasagne planting, as one bulb fades the next variety flowers in succession so you have continuous blooms throughout spring.

Plant your bulbs twice the depth of the length of the bulb, this helps protect from frost and from being dug up by inquisitive wildlife. The bulb has enough energy stored to grow to the surface before needing to photosynthesis.

Try petite *Tulip batalinii* 'Bright Gem' ideal for rockeries at 15cm tall, exotic fringed tulips like Black Parrot, classic 'Queen of Night' or 'Apeldoorn,' two-tone *Tulip clusiana* or 'Carnaval de Rio,' *Tulip bakerii* 'Lilac Wonder' naturalises well in lawns, and for outstanding beauty peony tulips such as 'Foxtrot' and 'La Belle Époque' intensify in colour as they age.

Get down to your local nursery and let your imagination run wild planning a colourful 2022.

**A REVIEW – THE SWINGING RASCALS, CLEEVE VILLAGE HALL  
FRIDAY 8TH OCTOBER 2021**

They say the best things come to those who wait and finally post Lockdown The Swinging Rascals bring their fabulous Swing Music and playful banter to Cleeve Village Hall. With cocktails flowing and the audience seated, the trio step out. First time performing in this group since the Pandemic, The Swinging Rascals are christening the Hall's new pop up stage. Sporting classy 3 piece sharp blue suits, for Mike Purnell, Simon Duffill and Exley Edwards this is a far cry from their first meeting when they were thrown together as strangers 18 years ago to perform naked in The Full Monty. It is no surprise that they quickly bonded and also did a spell in La Cage Aux Folles before discovering an outlet to carry on performing together by creating The Swinging Rascals. Classic Swing Standards is a genre that they all share a passion for, dating back to listening to their Grandparent's records as children. It is evident that they are not alone in this as the delight amongst the audience, young and old, radiates out as the trio spring into the first half. They hit us with popular numbers such as "Fly Me To The Moon," "Mr Bojangles" and "Mack The Knife". Full of charm, humour and wonderful harmonies the crowd are left wondering how the bar can be raised for the second half.

The group bounce back with a joyous mix of old and new songs designed to encourage audience participation and dancing. An unexpected highlight is a Jazz version of "Wonderwall". Craig Sillick, who sometimes performs with the band, makes an energetic guest appearance to sing "Reach for the Stars". The set list then moves at pace to include a crowd pleasing Drifters medley and reaches high kicks with the grande finale of "New York, New York", leaving the concertgoers exhausted but contented. Good times are finally back and The Swinging Rascals know how to get the party started.
