## CHAIR'S WELCOME

We wish you all a happy and healthy 2025

At the AGM of All About Cleeve in November, Elizabeth Vaughan stepped down as Chair. She has worked tirelessly for AAC and the Committee thanked her warmly for all that she has done. Fortunately she remains Treasurer and her experience will continue to support the future success of the magazine. At the AGM it was reported that AAC has made a small financial surplus, just the right side of break-even.

Thanks, also, to the people and businesses in Cleeve including Brockley Stores, Fountain Timber Products and the Cleeve & Claverham Store who have helped to create and sell the wonderful booklet full of old postcards and drawings of Brockley. A contribution from the sales has been gifted to AAC for which we are very grateful. Most of the print run has been snapped up already but you may still be lucky and find a copy.

I have now taken over as Chair of AAC and have joined a first-class team of volunteers who gather, edit, lay out, print and distribute the magazine and who find advertisers and articles. Cleeve is the village where I was born way back in the early 1950s so, like several others in the village, I have long and fond memories of living here. Do please help me, though, with ideas for articles and feedback that will help us to make AAC relevant and interesting to you all.

*Denis Burn

**The Distribution manager Steve Molloy is looking for someone to take on delivery of the magazine to the residents of Woodview drive. The magazines will be delivered to you and then it is simply a matter of posting one in each letterbox. The magazine is published ten times in the year**

**If you can help please contact Steve at [steviemolloy@aol.com](mailto:steviemolloy@aol.com)**

## **CLEEVE COMMUNITY SPEEDWATCH.**

You may have seen us standing by the side of the road in Cleeve, wearing bright yellow jackets and monitoring the speed of the traffic as it passes by.

We are the Cleeve Community Speedwatch Group.

The Group was formed in January 2019. We have 5 roadside sites (4 in Cleeve and 1 in Claverham). Since its formation the Group has conducted over 250 roadside speedwatch sessions. Speedwatch Groups are trained by, and come under the auspices of the Avon and Somerset Police.

Over the last couple of years the Cleeve Group has managed to keep going with just 5 members. However, by the end of 2024 we were down to 4 members. This is insufficient members for us to fulfil our commitment of one speedwatch session per week and, with regret, the Group has suspended its activities for the time being.

We are hopeful that if there were to be some changes of speed limit within Cleeve, then with renewed enthusiasm, and some new members we could reform.

Chris Smart (Cleeve Community Speedwatch Co-ordinator)

If anyone would like more details of how the Speedwatch Group operates, or are interested in volunteering in the future then please get in touch with Andy Warren, the Cleeve Parish Clerk [cleeveparishcouncil@hotmail.co.uk](mailto:cleeveparishcouncil@hotmail.co.uk), who will forward any enquiries to me.

## **HIYA CLEEVE**

As the Community Resilience coordinators we are aware of the prevailing cold weather (currently) and possibly to come in the next few months.

Who knows the most vulnerable residents of Cleeve? Their neighbours, people like you!

So...if you know of a nearby family, couple or individual who, in cold weather could struggle, a knock on their door to check they're OK and coping would be a great thing to do. You, as residents, know where they are.

Thank you in anticipation for your support. It'll help to again prove that Cleeve is a caring community

Stay safe and happy new year

*Steve, Sally and Ross*

## **NAILSEA DISTRICT LEG CLUB**

Leg Club now have Sally Kingston (fitness and movement expert) coming monthly, to give advice on keeping fit – for volunteers as well as members!

## FOCOS CHRISTMAS PARTY AND PANTOMIME 2024

The FOCOS Panto players launched into their latest production, Peter Pan, at Cleeve Village Hall on 7th December. The dastardly pirates were intent on the destruction of Peter Pan, Wendy and Tinkerbell! Before the rip roaring performance we were treated to a delicious meal laid on by Lin and her catering team. It was a super evening and many thanks to the brave thespians who entertained us so well.

## CLEEVE VILLAGE HALL

The AGM was held on Monday 9th December. Chairman Mark Bennett outlined the progress the hall had made in the last twelve months to ensure that the building is maintained to a good standard and that a varied and interesting programme of events are undertaken. He thanked the outgoing treasurer and welcomed a new treasurer and vice chairman.

Further projects early in the new year include additional fencing to improve security for small children using the garden outside. Mark also thanked the village for their support and encouraged everyone to support events at the hall. "We continue to be a focus for many groups to meet and use our facilities. We host numerous weddings and parties as well as our own music and entertainment nights and the annual pantomime. A vibrant hall is a welcome asset to a village.

Please keep an eye on All About Cleeve each month for details of our events throughout the year

## VILLAGE HALL UPDATE

Work continues to make our village hall a great place to use. Fencing has been erected to make the garden area more secure and child friendly and various bits of remedial painting work has been undertaken. There is also a new plaque adjacent to the flowerbeds acknowledging the work of our previous chairman Andrew Grogono

We would encourage any local groups or organisations, anyone planning a party, event or business meeting to consider hiring this great facility.

Stay safe

## NEWS FROM GOBLIN COMBE

First of all, our next volunteer date:

**Winter Warmer at Goblin Combe** Saturday 8th February 2025 10am - 2pm

Yes, that's right, a Saturday this time. Many of you have mentioned that you can't make our weekday volunteering but would love to join us if we ever needed help on a weekend, so here it is.

We're running an 'Open Homes' event in collaboration with the Centre for Sustainable Energy in Bristol, where we will be providing information, advice and guided tours all about energy use and improvements. Visitors will also be able to use our thermal imaging camera, air quality monitor, and we'll be providing forest school sessions, popcorn and hot chocolate around the fire and warm winter soup too - and that's where you come in! We'll need some help in preparing the soup in the kitchen, serving refreshments, manning the firepits, ushering visitors at the gates and parking. It should be a great day.

I'll shortly be sending round a poster/flier for people to share to spread the word, and there will be a sign up website for me to keep track of numbers, so if you can come it would be great if you can reply to that.

### **Lodge Site News**

We had a lovely volunteer day on 24th October and worked our little socks off to erect a new bin store and install brand new mattresses in the lodge. Thanks to faces old and new for your sterling efforts, it was quite impressive what our little team achieved!

With funding from Bristol Airport, we are now lined up to update all our lights to LEDs and install electric points to the yurt and lodge during January - we're looking forward to lower energy bills this year! All the windows and doors in the lodge will also be renovated in the next couple of months from the same funding, to keep us energy efficient and water-tight. We'll also be making some upgrades to our kitchen with funding from North Somerset Rural Prosperity Fund, so look out for a new oven, dishwasher and storage coming soon too.

### **Woodland News**

With recent storms and high winds, we've had a number of trees down in the woodland over the last few months. These are mostly cleared by our woodland contractor, with the smaller ones being ably located and managed by Alice Tucker of Goblin Combe Adventures and her bands of intrepid forest school groups. Thank you to all of you who continue to keep an eye on the woods for us and help us keep them safe for visitors. If you do notice anything dangerous or trees down across paths, please let us know by email to [hannah@groundwork.org.uk](mailto:hannah@groundwork.org.uk) or message to 07702 532710 with pictures and location if possible.

Wishing you all the best for a warm, safe and healthy 2025, and I look forward to seeing you soon.

**NICKY MURRAY AND SARAH CURTIS  
ST NICHOLAS CHURCH SAT 23RD NOV 2024**

This was a beautiful, historic setting for a special live fundraising music evening. As Storm Bert raged outside, inside the Church was full of warmth: packed pews, atmospheric lighting, hot drinks and cakes and a well-stocked bar on offer to keep the party going.

First up was Sufi-singer songwriter Sarah Curtis from Wells who performed a moving set: her voice angelic and her songs straight from the heart, this performance was at one with this unique venue. Her set was largely made up of her own memorable songs played on acoustic guitar including Hedgehog Queen and A Thousand Miles. Two exceptions were her stellar cover version of Come Up To The House by Tom Waits and an acapella delivery of her song The Rose, which sent goosebumps rippling around the Church.

After a short break, Glasgow based singer songwriter Nicky Murray came on stage to a very warm reception. Strumming his electric guitar straight into the smooth, catchy title track from his new album How Long, he eased us into a captivating, soulful set packed full of his original songs and the occasional cover. He was accompanied with blissful strings, courtesy of musician Selina Ross, with many highlights including a heartfelt performance of his song Sweet September and a charming version of the jazzy, mellow track Colleen by Martin Stephenson. The evening raced by: big thanks to Tony Stephenson for amazing sound, staging and lights, Brockley Stores for their generous donation of a wonderful hamper for the raffle and everyone who supported this event. Do get in touch with The Friends of Brockley Church if you would like to use this amazing space for an event/activity.

## **MORE DRIVERS URGENTLY NEEDED BY YATTON VOLUNTEER DRIVERS**

Increased demand for this service means that the organisers are considering closing the service to requests from new applicants unless more drivers can be signed up.

Cleeve residents are making use of this service providing an affordable means of transport to enable local people to attend medical appointments in North Somerset and Bristol.

More drivers are urgently needed. If you could occasionally give someone a lift to a medical appointment. Please consider volunteering. You might be the volunteer who keeps this service open to all applicants.

For a lift – or to enquire about volunteering - Tel 01934 832796

## **TIPS FROM CLEEVE NURSERY**

Gather up and bin (don't compost) diseased leaves from under roses and fruit. This will help to limit the carry-over of disease from one season to the next. Applying a generous mulch helps to suppress the disease infection too. 'Revive' or chipped bark is perfect for this.

Check tree ties and stakes. Adjust those that are too tight and tighten those that are not! Make sure the top tie is near to the top of the stake so that it prevents the tree rubbing. Make certain that the stake is still sound and that it isn't the tree that is holding the stake up!

Wash the glass down to allow maximum amount of light to enter. By using a sterilant such as Jeyes Fluid you will also kill any over wintering pests such as red spider mite and their eggs.

## CHAPEL GROUND ALPACAS

My husband and I started with 3 white girls back during Covid. The three girls were my Christmas present, and we collected them from Hertfordshire on the 23rd of December 2020. We were allowed to travel to a red zone for animal welfare.

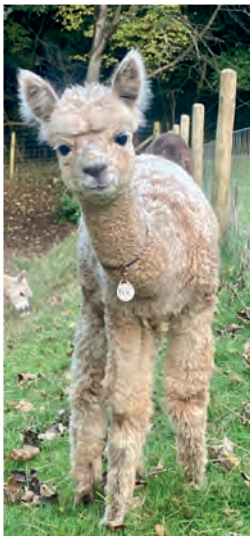

I was warned that they were very addictive and 3 has become 43. Some are co-owned with our Dutch friends. There are 2 breeds of Alpaca, Suri and Huacaya. The Suri's are rarer and distinguishable by their dreadlock like fleeces which hang down. The Huacaya's look much fluffier. We keep Boys and Girls although they must be kept separately and pretty much every colour variation including the beautiful spotty Appaloosa's.

The Alpacas have adapted well to life in North Somerset, originally hailing from South America they are used to vast differences in temperature. They are from the Camelid Family and are often mistaken for Llamas. The difference between them is the size, Llamas are much bigger and were bred for load bearing whilst Alpacas are bred for their beautiful fleeces. Their diet is mainly based on grass and hay although we feed hard pellets with added vitamin and minerals. Their favourite treats are carrots and apples but more than anything dried, flaked peas. Although hardy animals they are susceptible to poisoning, garden plants can be highly toxic as can ragwort. They can live beyond 25 in exceptional circumstance, our oldest girl April Showers will be 21 in April. A more average age maybe 17-18.

If you visit Goblin Combe you will see the Alpacas on the field at Chapel Lane, often on the hill at the entrance to our woods and on 2 field along Cleeve Hill Road. From January 2025 we will start showing the Alpacas and already own a champion that was born here.

If people want any further information please contact [info@chapelgroundalpacas.co.uk](mailto:info@chapelgroundalpacas.co.uk)

### Council Meetings

Meetings are held in Cleeve Village Hall on the 2<sup>nd</sup> Tuesday of each month (except August and December when no meetings are held).

Details of meetings, agendas and minutes continue to be published on our website.

You can access our website at [www.cleeveparishcouncil.co.uk](http://www.cleeveparishcouncil.co.uk) or via this QR code

**Community Orchard** : On Sunday January 5th, on a damp and chilly morning, an intrepid group of volunteers gathered at the Community Orchard to plant a selection of trees for the new Community Orchard.

Trees planted are:-

Apple Trees - Blenheim Orange (russet eating/cooking apple) and Sunset (compact dessert apple).

Pear Tree – Conference, Plum Tree – Victoria, Damson Tree – Merryweather and Quince Tree – Meeches.

These are in addition to those already planted namely a crab apple and a Court de Wyck apple.

**Village Orderly Role**: After 8 years of providing a great service to Cleeve our Village Orderly, Caroline, is moving from the area shortly and we are, therefore seeking a new Village Orderly.

We wish to express our gratitude to Caroline for her service to our community and wish her all the very best for the future.

The role involves 2.5 hours per week litter picking with all necessary equipment being supplied.

If you are interested in this role and would like to discuss what is involved please contact our Clerk, Andy Warren, on 07932 191964 or via email at [cleeveparishcouncil@hotmail.co.uk](mailto:cleeveparishcouncil@hotmail.co.uk) Closing date for applications is 17 February 2025.

### Facebook and Website

You will find us on Facebook if you search **Cleeve Parish Council** and like our page. We update various issues of local interest, and activities of the Parish Council.

We are also pleased to post a link on our website to view the current “All About Cleeve” each month.

## PLANT OF THE MONTH - CYCLAMEN

Looking for a pop of vivid colour throughout winter? Well look no further than cyclamen; whether you want a lovely potted houseplant or some colour under a tree, cyclamen have got it covered.

The name cyclamen originates from the Greek word 'kuklos', meaning 'circle' in English and refers to the plant's flattened, round tubers which the roots and shoots grow from. Cyclamen are perennial plants, often fragrant and part of the primrose family, Primulaceae.

There are around 23 species of *Cyclamen* in a range of sizes and colours from red, pink, purple or white. *C. persicum* has heart-shaped leaves; the wild variety grows in open shrub or rocky hillsides but the nursery-grown varieties have tiny tubers, favouring warmth and sun and need to be treated as houseplants (often known as florist's cyclamen), they will not survive outdoors whereas *C. hederifolium* and *C. coum* are hardy plants that thrive outside in dappled shade and should come back every year.

*C. coum* have petite flowers, delicately rising above rounded, kidney-shaped leaves, blooming in January, February and March whereas *C. hederifolium* have larger flowers that start flowering from autumn with dark green, silver-lined leaves that are almost ivy-like in appearance. Some *C. hederifolium* flower before the leaves and others have flowers and foliage appearing at the same time.

*Cyclamen hederifolium* roots from the top and sides of their tubers whereas *C. persicum* and *C. coum* root from the bottom. All these plants have evolved to bloom facing downwards; this survival mechanism protects the flower's pollen from washing away in rain storms. Nature thinks of everything! Grab yourself a cyclamen whether as a houseplant or for a shady garden spot and enjoy months of cheery colourful blooms.

**HOLY TRINITY PANCAKE LUNCH**  
**Shrove Tuesday – 4th March 2025**  
**Cleeve Village Hall – 12 noon until 2pm**

Enjoy a treat before the start of Lent, at the Holy Trinity Pancake Lunch.

The Lunch will consist of soup, a bacon or cheese roll, and then followed by **two** tasty sweet filled pancakes, together with as much tea/coffee as you can drink.

The cost of the event, including tea/coffee, will be £6.

***Tickets will need to be booked [to plan catering requirements] and are available from Lin on 838515 or Gill on 832917***

Come along for some great food, some good fun and lots of friendship.

***Another date for your diaries – Holy Trinity Lent Lunch – Tuesday 11th March, noon until 2pm, in the Church Room – More details in the March AAC.***
